To promote its mission of protecting Mississippi's environment, the Mississippi Department of Environmental Quality offers assistance grants for projects involving certain solid waste management and recycling activities and provides other assistance for abatement of certain solid waste problems.

This pamphlet summarizes these assistance programs offered by the Mississippi Department of Environmental Quality. Please refer to the contacts listed at the end of each program description for grant applications, guidelines, and additional information.

## Solid Waste Assistance Grants

### Use grant money for:

- Illegal dump cleanup
- Collection sites and recycling programs
- Local solid waste enforcement officer
- Programs to prevent illegal dumping
