

INVITATION FOR TRAINING

TO: WASTEWATER FACILITY OPERATORS AND MANAGERS

FROM: Michael McIntosh, Environmental Operator Trainer
MS Office of Pollution Control

TRAINING SESSION: MATH WORKSHOP

DATES / TIME: June 15-18, 2020
9:00 a.m. - 4:00 p.m. each day

LOCATION: Northwest Community College
Gary Lee Spears Center
Highway 51 and Porter St.
Senatobia, MS 38668

SUMMARY: This two-day workshop provides instruction in general mathematics and the specific equations used in all four-wastewater classifications such as Area, Volume, Population Equivalents, Detention Time, Pounds, Percent Removal, Sludge Age and more. The session is divided into two groups with Class I and II in one group and Class III and IV in a second group. The two days are not only a good refresher for certified operators but very beneficial to those preparing to take an exam.

Class I & II	June 15 - 16
Class III & IV	June 17 - 18

CONTINUING EDUCATION CREDIT (CEC): Up to 6 hours per day

**REGISTRATION IS REQUIRED DUE TO COVID-19 RESTRICTIONS.
