OTHER BUSINESS

NCL Landfill Findings of Fact and Conclusions of Law

Lisa Ouzts, Senior Attorney for MDEQ Legal Division, presented proposed Findings of Fact and Conclusions of Law ("FOFCOL") for the Permit Board's consideration regarding the Board's decision, after a formal evidentiary hearing, to deny a 250 foot setback for the proposed NCL Landfill. Betty Ruth Fox, attorney for NCL, was allowed to address the Board and state NCL's objection to the proposed FOFCOL.

The Board specifically found that the proposed FOFCOL was an accurate recording of the matter and on motion by Mr. Michael Bograd and seconded by Jim Lipe, the Permit Board unanimously voted to approve the FOFCOL for the NCL matter.

Statements of Economic Interest and Federal Ethics Forms

Mr. Roy Furrh, General Counsel for MDEQ Legal Division, reminded the Board members that their Mississippi Ethics Commission Statements of Economic Interest and the Federal Ethics Forms need to be completed for 2012. The deadline for filing the Statements of Economic Interest is May 1.

Permit Board Regulations

The Permit Board was also advised by Roy Furrh that they will likely be presented with renumbered and reformatted Permit Board Regulations, as required by the amended Administrative Procedures Act, in June. The content of the Regulations will not change.

MEETING ADJOURNED

There being no further business to come before the Permit Board, the meeting stood adjourned.

DATED at Jackson, Mississippi, this the 12th day of March, 2013.

JAN BOYD
PERMIT BOARD CHAIRMAN

TRUDY D. FISHER
