**MACLAND DISPOSAL, INC., CLASS I RUBBISH SITE, MOSS POINT, MISSISSIPPI  
COVERAGE #R1-109 – MACLAND’S MOTION TO DISMISS EVIDENTIARY  
HEARING REQUEST**

The Permit Board held a hearing to consider MacLand Disposal Inc. II’s (MacLand’s) Motion to Dismiss Evidentiary Hearing Request filed by Ms. Gayla Crowley. Ms. Crowley specifically requested an evidentiary hearing for the Permit Board to consider issuance of Coverage under the Mississippi Solid Waste Management General Permit for operation of a Class I Rubbish Disposal Site located in Moss Point, Jackson County, Mississippi. MacLand moved to dismiss the hearing request arguing that Ms. Crowley presented no evidence that she was an “interested aggrieved” party, that she had shown no fact indicating MacLand failed to meet the requirements of the General Permit, and that Ms. Crowley otherwise lacked standing to pursue the request. Special Assistant Attorney General Deanna Saltzman served as a Hearing Officer. MacLand was represented by legal counsel Keith Turner, Esq. and Betty Ruth Fox, Esq. Mr. Turner made the argument on MacLand’s behalf. Ms. Crowley represented herself and argued against the motion. MDEQ was represented by its General Counsel, Roy Furrh, and Senior Attorney Lisa Ouzts. Mr. Furrh related MDEQ’s recommendation that the Permit Board deny the motion. After considering MacLand’s written motion, written responses submitted by Ms. Crowley and MDEQ, and after considering the oral arguments of all the parties, Mr. Lipe moved to deny MacLand’s Motion to Dismiss. Mr. Boyd seconded the motion and the Permit Board voted unanimously to deny MacLand’s Motion to Dismiss. Mr. Turner requested that the Board bar Ms. Crowley from introducing anything at the evidentiary hearing related to the Permit Board’s prior decision, made after an evidentiary hearing held on August 21, 2012, to approve modification of MacLand’s permit noting that Ms. Crowley did not appeal the decision. Ms. Crowley agreed that she would not raise issues that the Permit Board previously decided.
