

**MINUTES OF THE MISSISSIPPI ENVIRONMENTAL QUALITY PERMIT BOARD
HELD IN JACKSON, MISSISSIPPI, ON TUESDAY, MARCH 18, 2014**

The Mississippi Environmental Quality Permit Board held a meeting in the Commission Hearing Room of the Department of Environmental Quality, located at 515 East Amite Street, on March 18, 2014. Dennis Riecke called the meeting to order at 9:00 a.m. with the following members and designated representatives present:

Dennis Riecke, Chairman
Leslie Royals, Vice Chairman
Michael Bograd
Jamie Crawford for Kay Whittington
Jim Lipe for Cindy Hyde-Smith
David Snodgrass for Lisa Ivshin
Mr. Jan Boyd was not present

Ted Lampton was present as legal counsel. On motion by Michael Bograd and seconded by Jamie Crawford, the minutes of the regular meeting on February, 2014, were approved.

REPORT OF STAFF PERMIT ACTIONS/CERTIFICATIONS

Staff reported to the Permit Board that staff had taken action on various permits since the February 20, 2014, Permit Board Meeting pursuant to the regulations delegating this authority to the Executive Director and the Executive Director's delegation of this authority to the staff in accord with those regulations. The Permit Board voted to note and record in its minutes the reports of permit actions/certifications by staff since the February 20, 2014, Permit Board Meeting. [Jamie Crawford abstained from voting on all Land and Water Resources permits and Mike Bograd abstained on all of the Office of Geology permits.]

Surface Mining Application

APAC – Mississippi, Inc. Carroll County A1886

Mr. Richard Calcote was present in opposition to the permit being issued. His overall concerns were the safety of his family's health due to diesel emissions and noise. Mr. Calcote was also concerned about the value of the land.

Mr. Brian Moore was present and spoke in favor of the permit being issued. Mr. Moore provided maps of the site to illustrate the distances between the site and Mr. Calcote's residence.

The Permit Board, on motion by David Snodgrass and seconded by Jamie Crawford, voted to accept the staff's recommendation to issue the permit. (Mike Bograd abstained)

**THE PERMIT BOARD CONSIDERED THE FOLLOWING OFFICE OF
LAND AND WATER RESOURCES MATTER:**

Ground Water Section

North Lee County Water Association - Ground Water Permits MS-GW-17109, MS-GW-17110, MS-GW-17111, MS-GW-17112, MS-GW-17113, and MS-GW-17114, Lee County, Mississippi

The North Lee County Water Association ("North Lee") applied for six permits to withdraw water to supply customers residing in its certificated area with drinking water. Kay Whittington, Director of MDEQ's Office of Land and Water, made a presentation on behalf of MDEQ staff. Ms. Whittington advised the Permit Board that in the 1980s, heavy pumping of the Eutaw-McShan Aquifer by the City of Tupelo resulted in a heavy drawdown of the aquifer. After being notified of the declines, the City of Tupelo began using treated surface water from the Tennessee Tombigbee River to supply drinking water to its customers. Tupelo has been using the Tennessee Tombigbee River as the sole source of its drinking water since 1991 but does have 23 standby wells permitted in the Eutaw-McShan Aquifer. Ms. Whittington, commending the City for its responsible action, advised the Permit Board that the aquifer had recovered from the heavy declines. Ms. Whittington informed the Board that the aquifer appeared to have sufficient water to supply North Lee's needs. Ms. Whittington also informed the Board that the wells would be adequately spaced according to regulations. Ms. Whittington recommended that the Permit Board issue the permits with special terms and conditions in place that would have increased monitoring requirements for water level measurements and for water use data and that would indicate any aquifer declines. The special terms and conditions allow MDEQ to reduce the maximum volume of water withdrawal and the maximum pumping rate for the six wells and/or revoke the permits.

Mr. Donny Leslie, Mr. Brett Brooks, and North Lee's Attorney, Bill Beasley, were present on behalf of North Lee. Mr. Beasley addressed the Permit Board in favor of the proposed permits. Mr. Beasley advised the Permit Board that North Lee was trying to modernize its systems and that it was not planning to add new customers and it would not withdraw any more water than it already withdraws. Mr. Beasley informed the Board that North Lee is a non-profit entity that could not afford the costs associated with using surface water to supply its customers. Mr. Beasley stated that North Lee understood the risk that MDEQ would withdraw its permits, should they be issued, if the aquifer declined again and acknowledged that this would be included in its permits as a special condition. Mr. Beasley advised the Board that it needs the wells to meet the Mississippi Department of Health's minimum guidelines. Mr. Brooks, North Lee's engineer, also addressed the Board and answered questions.

Attorney Ben Logan addressed the Permit Board on behalf of the City of Tupelo stating Tupelo's opposition to the proposed permits. Mr. Logan requested that the Permit Board deny the permits because the permits would interfere with other users. Mr. Logan expressed concern that the permits would result in aquifer declines. Mr. Logan acknowledged that the permits had a condition that would require North Lee to stop pumping if the aquifer experienced too much of a decline. Mr. Logan was concerned, however, that if North Lee had to stop pumping its customers would be without water.

On motion by Dennis Riecke and seconded by Mike Bograd the Permit Board voted to accept the staff's recommendation to issue the permits subject to the special terms and conditions of the permits.

OTHER BUSINESS

Mr. Furrh stated that there will be an evidentiary hearing at the April 8, 2014 Permit Board Meeting regarding the MacLand II matter.

Evidentiary Hearing Regarding Modification of National Pollutant Discharge Elimination System Permit for the City of Meridian's Publically Owned Treatment Works (No. MS0020117), Lauderdale County, Mississippi

The matter before the Permit Board was a formal evidentiary hearing regarding modification of the City of Meridian's NPDES permit for its South POTW. Mr. Austin Dan Check, a Meridian resident, opposed the modification and requested the hearing so the Permit Board could reconsider its modification of Meridian's POTW permit which it made at its meeting on November 12, 2013.

The hearing officer in this matter was Ellen O'Neal, Special Assistant Attorney General with the Office of the Attorney General. The Department was represented by General Counsel Roy Furrh and Senior Attorney Lisa Ouzts. Attorney Michael Goggans represented Meridian. Mr. Check represented himself. MDEQ submitted prefiled direct and rebuttal testimony through the affidavits of Harry M. Wilson, III. Meridian submitted prefiled direct testimony through the affidavit of Hugh Smith, the Director of Public Works for the City of Meridian. Mr. Check submitted prefiled direct and rebuttal testimony through his own unsworn written statements.

As a preliminary matter, Hearing Officer O'Neal granted Meridian's Motion to Intervene, which was unopposed.

Roy Furrh made an opening statement on behalf of MDEQ, followed by Mr. Goggans on behalf of Meridian. During the course of making an opening statement on his own behalf, Mr. Check informed the Hearing Officer and the Permit Board that he was leaving the hearing stating his belief that the hearing was a "sham" and "moot" because Meridian was in violation of its permit. Hearing Officer O'Neal asked Mr. Check if he was withdrawing his hearing request. Mr. Check informed Hearing Officer O'Neal that he was not withdrawing his request but he refused to participate in the hearing and vacated the hearing room. Hearing Officer O'Neal notified Mr. Check that if he left the hearing the record would not reflect anything but his opening comments and not evidence or sworn testimony. Mr. Check stated his belief that Meridian was in violation of its existing permits and questioned how the Permit Board could modify permits that had been in violation for 20-something years. Mr. Check stated that he was not withdrawing his evidentiary hearing request; however, he refused to participate further and he left the hearing. Because he did not withdraw the hearing request, the hearing proceeded in Mr. Check's absence with the remaining parties submitting their prefiled testimony and offering their witnesses for cross examination and questioning by the Permit Board. Mr. Check's prefiled testimony was not admitted into evidence at the hearing because Mr. Check was not present and available for cross-examination regarding his testimony.

Harry Wilson testified on behalf of MDEQ through his prefiled direct and rebuttal testimony and was tendered for cross examination by Meridian and questioning by the Permit Board. Hugh Smith testified on behalf of Meridian through his prefiled direct testimony and was tendered for cross examination by MDEQ and questioning by the Permit Board. Had Mr. Check chosen to stay for the hearing he would have been afforded a chance to cross-examine MDEQ's and Meridian's witnesses. He would also have had a chance to submit his pre-filed direct and rebuttal into evidence at the hearing.

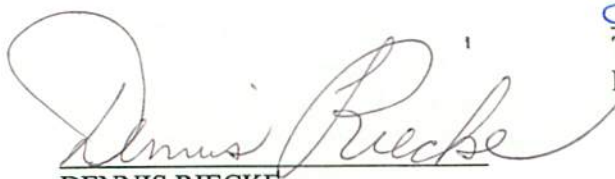

At the conclusion of all the testimony, Mr. Furrh and Mr. Goggans made closing statements on behalf of their respective clients. The matter was then presented to the Permit Board for its decision.

At the conclusion of the formal evidentiary hearing, upon motion by Mr. Lipe and seconded by Mr. Bograd, the Permit Board unanimously voted to affirm its previous decision to issue the permit to Meridian for its South POTW located in Lauderdale County, Mississippi.

MEETING ADJOURNED

There being no further business to come before the Permit Board and on motion by Jim Lipe and seconded by David Snodgrass, the meeting stood adjourned.

DATED at Jackson, Mississippi, this the 18th day of March, 2014.
