City of Meridian, National Pollutant Discharge Elimination System ("NPDES") Permit (No. MS0020117), Lauderdale County, Mississippi

Lisa Ouzts, Senior Attorney for MDEQ, presented proposed Findings of Fact and Conclusions of Law ("FOFCOL") for the Board's consideration in the City of Meridian matter. Specifically, after a formal evidentiary hearing held March 18, 2014, the Permit Board affirmed its decision to modify the City of Meridian's NPDES Permit for its Publically Owned Treatment Works located at 311 27th Avenue, Meridian, Mississippi. Ms. Ouzts reminded the Permit Board that she had emailed a draft of the proposed FOFCOL for the Board's review and consideration in advance of the May 13, 2014, meeting. Ms. Ouzts recommended that the Board approve and adopt the FOFCOL. The Board, on motion by Jim Lipe and seconded by Jan Boyd, voted to approve and adopt the FOFCOL as written.

Bell Utilities, LLC

Lisa Ouzts, Senior Attorney for MDEQ, presented Bell Utilities, LLC's ("Bell's") request to transfer its permit for the Black Creek Retreat Wastewater Treatment System to Utility One, LLC. Ms. Ouzts advised the Permit Board that Bell appealed the Board's decision, after an evidentiary hearing, to deny the transfer. Ms. Ouzts advised the Board that the Forrest County Chancery Court reversed the Board's decision and that MDEQ appealed the reversal to the Mississippi Supreme Court. Ms. Ouzts advised the Board that the Mississippi Supreme Court entered an opinion, *Mississippi Commission on Environmental Quality, et al. v. Bell Utilities, LLC* 135 So. 3d. 868 (Miss. 2014), reversing the Board's decision to deny transfer and ordering the Board to transfer the permit to Utility One. The Court specifically found that MDEQ staff and a majority of the Permit Board would have agreed to transfer the permit had Utility One submitted \$20000.00 in financial assurance to replace the identical amount Bell submitted after taking over the Black Creek System. The Court found the Board did not have authority to deny transfer based on failure to submit financial assurance because the Mississippi Commission on Environmental Quality had not promulgated financial assurance regulations for wastewater treatment systems. Roy Furrh, MDEQ's General Counsel, also advised the Permit Board that the Supreme Court reversed the portion of the Forrest County Chancery Court's decision requiring the Board to promulgate hearing procedures. However, Mr. Furrh advised the Board that MDEQ staff were working on draft procedures for the Permit Board's consideration and would present those at a future Permit Board meeting.
