Justin Horn Poultry, Issuance of Coverage under the AFO General Permit #MSG201818, Newton County, Mississippi and Issuance of Large Construction Storm Water Coverage Permit #MSR106885, Newton County, Mississippi:

Tracy Tomkins of the Environmental Permits Division advised the Board that Justin Horn Poultry applied for coverage under the State of Mississippi AFO General Permit and for coverage under the State of Mississippi Large Construction Storm Water General Permit for operation of six proposed poultry houses in Newton County, Mississippi. MDEQ received three letters stating concerns from Ms. Dorothy Moss, Mr. and Mrs. Jason Crabtree, and Mr. Terry Welch. All three parties attended the meeting and reiterated their concerns which specifically included the location of the houses, potential odors, water runoff, nutrients, property values, safety of road conditions, existing health issues, and other possible contaminants from the proposed site. Ms. Sherry Parker spoke in favor of the permits and the permit applicant, Ms. Shanna Horn, spoke in favor of the permits and answered questions from the Permit Board. Ms. Horn stated that she intended to comply with the permits.

Ms. Tomkins advised the Board that MDEQ conducted two pre-permitting site inspections, one on April 24, 2015, by the MDEQ regional office, and a follow up inspection on May 29, 2015, by the Environmental Permits Division. MDEQ's inspectors verified that the proposed facility complied with the siting criteria and that the proposed facility also complied with all technical requirements. Ms. Tomkins advised the Board that staff recommended issuance of the coverages to Justin Horn Poultry.

On motion by Jim Lipe and seconded by Dennis Riecke, the Permit Board voted to accept the staff's recommendation to issue both permits.

Mr. Furrh advised the visitors who opposed permit issuance that they had 30 days to file a written request for an evidentiary hearing.
