WASTE MANAGEMENT INFORMATION*

** For facilities that do not have access to weight scales, report the amounts of waste received in cubic yards and also in tons (converted from cubic yards). Also, attach a separate sheet indicating how these conversions were calculated.*

1. List the total amount of waste managed at the facility by source in tons.

SOURCE	In-State	Out-of-State	Total
Tons of waste managed			

2. In the spaces provided below or on a separate sheet if necessary, list the source of waste received by county and state of origin and indicate the total amount of waste received from each county/state in tons.

County	State	Tons

County	State	Tons

3. List the solid waste site(s) where waste materials were sent for final disposal or other management/end use and the total tons sent to each site.

Name of Disposal/Management Site	Location (City/County/State)	Total Tons

SEGREGATED WASTE INFORMATION

4. If applicable, solid waste transfer stations are asked to report on the quantity of waste managed by methods other than disposal. List the total amount of materials segregated for recycling or other management purposes and were not sent to a disposal facility.

_____ **total tons segregated for recycling or other management**

5. Please indicate what materials were segregated and if known, estimate the amount of each type of material segregated.
