**Issuance of Coverage to A's Farm LLC under Large Construction Storm Water General Permit
#MSR107315, Jones County**

Mrs. Tracy Tomkins, of the Environmental Permits Division, advised the Permit Board that Linh Tran, the owner of A's Farm LLC, applied for coverage under the State of Mississippi Dry Litter Poultry Animal Feeding Operation Multimedia General Permit (No. MSG201911) and Large Construction Storm Water General Permit (No. MSR107315) located in Walthall County. MDEQ received a Large Construction Notice of Intent, a Construction Stormwater Pollution Prevention Plan, a Dry Litter Poultry Notice of Intent, and a Comprehensive Nutrient Management Plan developed by the Natural Resources Conservation Service. The applicant proposes to disturb approximately 16 acres of land to construct ten poultry houses which would house a total of 230,000 broilers. All dry litter from the poultry will be transferred off site.

The applicant sent out contiguous landowner notifications as required by the General Permit. MDEQ received a letter of concern from Mr. Stephen Harrison and a petition with 89 signatures from Pleasant Hill Church of God in Christ. Mr. Harrison stated concerns with runoff and odor. The church stated concerns with health conditions and property value. The owner was present to answer questions posed by the Permit Board and objectors. There were no visitors present to speak against permit issuance.

Mrs. Tomkins stated that MDEQ had inspected the facility and concluded that the facility met requirements of the laws and regulations including the regulatory siting criteria. Mrs. Tomkins recommended issuance of coverages under the AFO General Permit and the Large Construction Storm Water General Permit.

On motion by Chris McDonald and seconded by Jim Hoffmann, the Permit Board voted to accept the staff's recommendation to issue the permit coverages.
