

MDEQ List of Local Solid Waste Management Planning Consultants

(March 11, 2013)

Local governments that utilize MDEQ grant funds to prepare comprehensive local solid waste management plans are requested to use consulting organizations that are qualified to conduct such work. Organizations that have provided a statement of qualifications to MDEQ include the firms listed below. The listing of the organizations and firms in this table is not an endorsement of the work of these firms. Furthermore, this listing may not represent a complete representation of all firms qualified to develop solid waste management plans in Mississippi. Persons interested in being included on this listing or updating information currently on the listing should contact Mark Williams with MDEQ at the address and telephone number below.
