

The United States Environmental Protection Agency (EPA) and Mississippi Department of Environmental Quality (MDEQ) invite YOU—the Picayune Wood Treating Superfund Site community to a

## Public Availability Session

Thursday, November 4, 2004  
2:00 P.M. TO 5:00 P.M.

The Public Availability Session is an opportunity for residents to speak freely on a one-on-one basis with the regulatory agencies.

Presentations on site activity, technical assistance and the Superfund process will be conducted at the Public Meeting. Also, this meeting will allow the community an opportunity to get their questions answered.

## Public Meeting

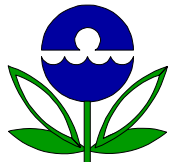

Thursday, November 4, 2004  
6:00 P.M. to 8:00 P.M.

Pleasant Valley Baptist Church  
501 Weems Street  
Picayune, MS 39466  
601-798-5670

Community Involvement  
EPA- Region 4  
800-435-9233 ext. 28530  
404-562-8530

Environmental Protection Agency  
Atlanta Federal Center  
61 Forsyth Street  
Atlanta, GA 30303-8960

Mississippi Department of  
Environmental Quality  
Office of Pollution Control  
P. O. Box 10385  
Jackson, MS 39289-0385

The purposes for both events are to:

- Encourage community involvement
- Increase understanding of the Superfund cleanup process
- Improve communication
- Meet the agency representatives and understand their roles and responsibilities
- Inform community of grants opportunities and technical assistance information
- Provide site update
- Listen and address the community's issues and concerns

Reports and documents pertaining to the Site can be viewed at the Site Repository -- Margaret Reed Crosby Memorial Library, 900 Good-year Blvd, Picayune, MS.
