Mathew Anglin Poultry, Issuance of Coverage under the AFO General Permit,
MSG201798, Jones County, Mississippi and Issuance of Construction Storm Water
Permit, MSR106766

Ms. Tracy Tomkins of the Environmental Permits Division advised the Board that Mathew Anglin Poultry applied for permits to construct and operate six poultry houses with 141,600 broilers in Jones County, Mississippi. Mr. Anglin submitted a Dry Litter Poultry Notice of Intent (NOI), a Comprehensive Nutrient Management Plan (CNMP), a Large Construction Coverage under the Multimedia Dry Litter Poultry Animal Feeding Operation General Permit (No. MSG201798) and a Construction Storm Water Permit (No. MSR106766) on October 15, 2014. The applicant sent out contiguous landowner notifications as required by the permit. MDEQ received letters of concern from Mrs. Alfre Creppel and Mr. Charles Turner. Mrs. Creppel was concerned that the proposed poultry houses would impair air quality and cause respiratory illness and would increase the number of disease carrying insects. Mr. Turner was concerned about potential impacts to the ponds and streams in the area and was further concerned there would be contaminated runoff. MDEQ's regional office conducted a site inspection on October 23, 2014. MDEQ's Environmental Permits Division also conducted a site visit on November 21, 2014. The inspections found that the proposed poultry farm metal regulatory siting criteria. No one at the Permit Board meeting spoke in opposition regarding issuance of the permit. Ms. Tomkins recommended that the Permit Board issue the coverages to Mathew Anglin based on technical merits of the Notices of Intent, the CNMP, the SWPPP, and MDEQ's site inspections for compliance with siting criteria.

On motion by Jan Boyd and seconded by Jim Lipe, the Permit Board voted to issue the coverages.

OTHER BUSINESS

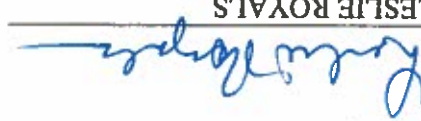

Mr. Furth stated that the proposed rules of practice for an evidentiary hearing will be going to public notice in the near future and asked the Permit Board to review the draft copy that was provided to them and to submit comments by the end of the year. Mr. Furth confirmed the next meeting to be January 13, 2015.

MEETING ADJOURNED

There being no further business to come before the Permit Board on motion by Jan Boyd and seconded by David Snodgrass, the meeting stood adjourned.

DATED at Jackson, Mississippi, this the 9th day of December, 2014.
