

Public Meeting

Regarding the ongoing remedial assessment of the Picayune Wood-Treating Site

What: Public meeting to discuss the status of the remedial assessment of the former Picayune wood-treating site, Wood Treating, Inc., located at 403 Davis Street in Picayune and to answer questions regarding the ongoing assessment.

When: Thursday, April 1, 2004, 7:00 P.M.

Where: Mason Hall
713 Rosa St.
Picayune, MS 39466

Who is invited to attend: Anyone wanting information about the ongoing determination of the extent of the contamination from the site and answers to questions about the Picayune wood-treating site.

Who will be present at the meeting: Representatives from the Environmental Protection Agency (EPA), the Agency for Toxic Substances and Disease Registry (ATSDR), the Mississippi Department of Environmental Quality (MDEQ), and the Mississippi State Department of Health (MSDH).
