The Permit Board, on motion by Dennis Riecke, and seconded by Jennifer Wittmann, voted to approve the staff's recommendation of an additional 40% bond release. The Permit Board directed staff to coordinate an on-site meeting with the landowner and Mr. Forshee. The staff was directed to notify the landowner of the meeting and remaining bond via certified mail. (Michael Bograd abstained)

Surface Mining Permits to Cancel:

In 2013, the staff requested a new USACE jurisdiction determination from Pat Fore Truck Lines, Inc. The staff has not received the requested determination to date. The site has never been mined. The staff recommends denying the reissuance of these surface mining permits. The site was first permitted in 1995 as consecutive point bar mines on the Wolf River. Mr. Fore was made aware of this permit board meeting and the MDEQ recommendation. Mr. Fore called and sent a letter objecting to the MDEQ proposed action or cancel these permits.
