TransAmerican Waste Central Landfill, Inc.
Pearl River County, MSP092273**

Mrs. Becky Nester of the Environmental Permits Division advised the Permit Board that Waste Management of Mississippi, Inc., TransAmerican Waste Central Landfill, Inc. applied for reissuance of its existing wastewater Pretreatment Permit MSP092273 allowing it to send pretreated wastewater to the Pearl River County Utility Authority. The permit applicant did not propose any changes or modifications to its existing pretreatment permit. On October 3, 2017, MDEQ published notice of the proposed reissuance inviting the public to submit comments regarding the proposed reissuance by November 3, 2017. No one submitted any comments during the public notice period regarding the proposed reissuance, nor were there any visitors present at the Permit Board meeting. Mrs. Nester stated that MDEQ reviewed the application and determined that it complied with the state laws and regulations; therefore, the staff recommended that the Permit Board reissue the permit.

On motion by Jim Hoffmann and seconded by Chris McDonald, the Permit Board voted to accept the staff's recommendation to reissue the permit.
