

MISSISSIPPI COMMISSION ON ENVIRONMENTAL QUALITY
OFFICIAL MINUTES
NOVEMBER 17, 2017

The regular monthly meeting of the Commission on Environmental Quality was held on Friday, November 17, 2017, in the Commission Hearing Room, 515 East Amite Street, Jackson, Mississippi, beginning at 9:00 a.m. Commissioners present were:

John Dane III
Brenda Lathan
Jamie Martin
Billy Van Devender
Jack Winstead, Chairman

Commissioners Dick Flowers and Chat Phillips were not present.

Others present were: Gary Rikard, Executive Director; Krista Caron, Willie McKercher, Dusty Myers, Kay Whittington, staff of MDEQ; and other staff members and visitors whose names appear elsewhere in these minutes.

The meeting was called to order by Chairman Winstead, and after Mr. Van Devender led the invocation, the following business was transacted:

Notice of Meeting

The Commission was informed that the legal Notice of Meeting concerning the time, date, and place of this meeting had been posted publicly as required by law. The Notice of Meeting read as follows: "Please take note that the regularly scheduled meeting of the Mississippi Commission on Environmental Quality for November, 2017, will take place on Friday, November 17, 2017. This meeting will be held in the Commission Hearing Room at the offices of the Mississippi Department of Environmental Quality at 515 East Amite Street, Jackson, Mississippi. As always, the public is invited to attend." This notice was posted in the lobby of the MDEQ offices in Jackson on October 17, 2017.

Approval of Minutes

On motion made by Ms. Lathan and seconded by Mr. Van Devender, the minutes of the August 24, 2017 meeting were approved and adopted as the Official Minutes.

Commission Approval of Hazardous Waste Regulation Revisions

Ms. Krista Caron stated a public hearing was held on November 7, 2017, concerning the revisions to the Mississippi Hazardous Waste Management Regulations. These revisions, which were previously sent to the Commission for review, were proposed to clarify the delegation authority of the Mississippi Department of Environmental Quality (MDEQ) in previously adopted hazardous waste regulations and to correct typographical errors. In addition, these revisions are necessary for the reauthorization of MDEQ's Hazardous Waste Management Program by the U.S. EPA. The proposed revisions do not represent new rule making by MDEQ or adoption of any new rule promulgated by EPA. There were no attendees to the public hearing and staff received no comments. Staff recommended the Commission adopt the hazardous waste regulation revisions to maintain consistency between the Mississippi Hazardous Waste Regulations and the EPA Hazardous Waste Regulations as required by 40 CFR 271.4. Following staff presentation and after deliberation, on motion made by Mr. Van Devender and seconded by Mr. Dane, the Commission unanimously voted to adopt the revisions to the Mississippi Hazardous Waste Management Regulations.

Environmental Covenant for Key Energy Services, LLC

Pursuant to the Commission's delegation regulations (11 Miss. Admin. Code Pt. 1, R.1.1.Y.), Mr. Willie McKercher stated the Executive Director of MDEQ approved the Environmental Covenants between the Commission and Key Energy Services, LLC regarding the remediation of property located at 1304 West Main Street in Sandersville, MS. Key Energy Services, LLC operated the site as the Moncla Well Services, an oilfield support operation. Environmental Site Assessments revealed a release of petroleum impacting soils and groundwater at concentrations in excess of Target Remediation Goals (TRGs), so remediation of the site is necessary. The staff of the MCEQ evaluated the proposed

Environmental Covenant and believes that, with the conditions and restrictions contained within; the site will be in compliance with applicable State laws and standards and will be protective of the public health and the environment. This briefing was for informational purposes only, requiring no action by the Commission.

Revised Environmental Covenant for Letourneau Main Plant

Pursuant to the Commission's delegation regulations (11 Miss. Admin. Code Pt. 1), Mr. Willie McKercher stated the Executive Director of MDEQ approved the Environmental Covenants between the Commission and Cameron International Inc. regarding the property located at 500 LeTourneau Road in Vicksburg, MS. The site is referred to as the LeTourneau Main Plant Site (Site). Environmental Site Assessments revealed the Site was impacted with chlorinated solvents in the groundwater in excess of Target Remediation Goals (TRGs). The original Environmental Covenant issued through Order No. 6045 11 included 0.1 acres of property. Cameron International Inc. requested the Environmental Covenant to be increased to 3.68 acres of property. The staff of the MCEQ evaluated the proposed Environmental Covenant and believes that, with the conditions and restrictions contained within; the site will be in compliance with applicable State laws and standards and will be protective of the public health and the environment. This briefing was for informational purposes only, requiring no action by the Commission.

Environmental Covenant for FPR, LLC

Pursuant to the Commission's delegation regulations (11 Miss. Admin. Code Pt. 1, R.1.1.Y.), Mr. Willie McKercher stated the Executive Director of MDEQ approved the Environmental Covenants between the Commission and FPR, LLC regarding the remediation of property located on Soldier Colony Road in Canton, MS. The previous property owner, Dwight Kerry Rudder, operated the site as Rudder Flying Service. Environmental Site Assessments revealed a release of toxaphene impacting soils and groundwater at concentrations in excess of the Target Remediation Goals (TRGs), so remediation of the site is necessary. The staff of the MCEQ evaluated the proposed Environmental Covenant and believes that, with the conditions and restrictions contained within; the site will be in compliance with applicable State laws and standards and will be protective of the public health and the environment. This briefing was for informational purposes only, requiring no action by the Commission.

Environmental Covenant for POM Enterprises

Pursuant to the Commission's delegation regulations (11 Miss. Admin. Code Pt. 1, R.1.1.Y.), Mr. Willie McKercher stated the Executive Director of MDEQ approved the Environmental Covenants between the Commission and POM Enterprises regarding the remediation of property located on 400 West Main Street in Ackerman, MS. POM Enterprises operated the site as Trinity Industries. Environmental Site Assessments revealed petroleum hydrocarbons and chlorinated impacting soils and groundwater at concentrations in excess of the Target Remediation Goals (TRGs), so remediation of the site is necessary. The staff of the MCEQ evaluated the proposed Environmental Covenant and believes that, with the conditions and restrictions contained within; the site will be in compliance with applicable State laws and standards and will be protective of the public health and the environment. This briefing was for informational purposes only, requiring no action by the Commission.

Transfer of Environmental Covenant for DG Investments

Pursuant to the Commission's delegation regulations (11 Miss. Admin. Code Pt. 1), Mr. Willie McKercher stated the Executive Director of MDEQ approved the Environmental Covenant transfer upon the sale of land among the Commission, HSC Gulfport, LLC (current owner), and DG Investments (prospective owner) regarding the remediation of property located at 3283 Pass Road in Gulfport, MS. HSC Gulfport, LLC operated the site as the Holcomb Paint Factory. Environmental Site Assessments revealed contamination with C9-C10 Aromatics, C9-C18 Aliphatics, and C11-C22 Aromatics in excess of the Tier 2 Target Remediation Goals (TRGs), so remediation of the site is necessary. The staff of the MCEQ evaluated the proposed Environmental Covenant and believes that, with the conditions and restrictions contained within; the site will be in compliance with applicable State laws and standards and will be protective of the public health and the environment. This briefing was for informational purposes only, requiring no action by the Commission.

Notice of Proposed Amendments to Administrative Procedures Act Rules - 11 Miss. Admin. Code Pt. 7, Ch. 3 for Dam Safety

Mr. Dusty Myers stated the Dam Safety Division in the Office of Land and Water Resources is

working on amending the Dam Safety Regulations to include provisions for the use of an incremental consequence analysis based spillway design approach. This approach, which is currently being used in several other states, will allow greater flexibility in the regulations by taking into consideration any flooding which is occurring at the structures at risk downstream prior to a failure of the dam. If there are no incremental consequences resulting from the failure, this approach would allow for a reduction of the required design rainfall event. As part of this update process, other revisions and additions regarding minimum design and permitting requirements are being included to ensure the regulations match current dam safety policies and procedures. The proposed amendments were made available for public comment in early November and a public hearing is scheduled for December 5, 2017. After the conclusion of the public hearing staff will take into consideration any comments received and then present the proposed amendments to the Commission at a future meeting with a recommendation for adoption. This briefing was for informational purposes only, requiring no action by the Commission.

Delta Sustainable Water Resources Task Force Update

Ms. Kay Whittington provided an update to the Commission on the work of the Delta Sustainable Water Resources Task Force. The Task Force was created to develop and implement strategies to stabilize water level declines in the Mississippi River Valley Alluvial Aquifer, which supplies most of the water used for agricultural irrigation and aquaculture in the Mississippi Delta. The briefing focused on conservation practices required through water use permitting, modeling to evaluate water availability, and data collection to enhance the understanding of the aquifer system and improve model accuracy. Mr. Winstead emphasized the importance of addressing the problem and critical role of the CEQ. He also suggested we might hold a future Commission meeting in the Delta. This briefing was for informational purposes only, requiring no action by the Commission.

Solid Waste Assistance Grants

On previous authority delegated to the Executive Director, MDEQ, the Commission was provided a listing by staff of the following solid waste assistance grants that have been awarded to local governments:

<u>County/ Municipality</u>	<u>Grant Amount</u>
City of Grenada	\$20,000.00
Copiah County BOS	\$39,247.00

Asbestos Certifications

On previous authority delegated to the Head, Office of Pollution Control, the staff reported that 278 asbestos certifications had been issued since the last report.

Emergency Clean-Up Expenses

On previous authority delegated to the Executive Director, the staff reported the Emergency Clean-Up Expenses incurred since the Commission’s last meeting. A list of these expenses is made a part of these minutes and is filed in the Official Minutes File.

Lead Paint Certifications

On previous authority delegated to the Head, Office of Pollution Control, the staff reported that 172 lead paint certifications had been issued since the last report.

Underground Storage Tank (UST) Certifications

On previous authority delegated to the Head, Office of Pollution Control, the staff reported that 22 certifications to those who install, alter, or remove underground storage tanks had been issued since the last report.

Wastewater Operator Certifications

On previous authority delegated to the Head, Office of Pollution Control, the staff reported that 60 wastewater operator certificates had been issued since the last report.

Administrative Orders

On previous authority delegated to the Executive Director, DEQ, the staff reported that 35 Administrative Orders, and 1 Amended Agreed Order, had been issued since the Commission's last meeting. A list of these orders is made a part of these minutes and is filed in the Official Minutes File.

Other Business

Executive Director Gary Rikard stated Mississippi's recent annual Restoration Summit was well received and that there would be an update on Restoration activities at the next Commission meeting. Mr. Rikard also informed the Commission that EPA Administrator Scott Pruitt was recently in town to meet with Governor Bryant and to gather stake holder input on the Waters of the United States and Clean Power Plan rules. Mr. Rikard and Mr. Winstead thanked Alice Perry for her outstanding work in handling the logistics of the meeting between Governor Bryant and Administrator Pruitt.

Setting of Meeting

It was the decision of the Commission to distribute information on December's meeting date in the near future.

Adjournment

There being no further business to come before the Commission, the meeting was adjourned.

CHAIRMAN

ATTEST:

EXECUTIVE DIRECTOR

EMERGENCY SERVICES CLEAN UP

To:	CTEH	Date of Response: 06/16/17
Amount:	\$58,294.25	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and perform air monitoring service for an leaking UST in Desoto County.	
To:	CTEH	Date of Response: 06/17/17
Amount:	\$26,440.75	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and perform air monitoring services for a leaking UST in Desoto County.	
To:	Clarkco Oilfield Services	Date of Response: 05/26/17
Amount:	\$976.48	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a diesel spill in Clarke County.	
To:	Complete Environmental	Date of Response: 06/10/17
Amount:	\$7,107.82	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up shingles and other materials illegally dumped in Holmes County.	
To:	Complete Environmental	Date of Response: 11/29/16
Amount:	\$6,527.07	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a diesel spill in Forrest County.	
To:	Complete Environmental	Date of Response: 06/08/17
Amount:	\$860.78	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to, investigate, and prepare remediation action for illegal dumpsites in Holmes County.	
To:	Complete Environmental	Date of Response: 03/07/16
Amount:	\$4,424.63	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a diesel spill in Jasper County.	
To:	Complete Environmental	Date of Response: 06/14/17
Amount:	\$4,737.62	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a diesel spill in Pike County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 05/24/17
Amount:	\$1,221.98	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a diesel spill in Hinds County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 06/16/17
Amount:	\$74,363.71	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 06/16/17
Amount:	\$58,825.61	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 06/16/17
Amount:	\$78,105.85	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 06/17/17
Amount:	\$78,831.87	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.	

To: Enhanced Environmental & Emergency Services
 Amount: \$41,554.49 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.

To: Enhanced Environmental & Emergency Services
 Amount: \$980.30 Date of Response: 06/09/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up an abandoned oil spill in a parking lot in Tate County.

To: Enhanced Environmental & Emergency Services
 Amount: \$1,160.94 Date of Response: 06/30/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up an unknown petroleum product spill in Harrison County.

To: Enhanced Environmental & Emergency Services
 Amount: \$3,567.15 Date of Response: 05/02/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a nitric acid spill in Warren County. This invoice is for the cost of transporting and disposal of the waste.

To: Enhanced Environmental & Emergency Services
 Amount: \$12,494.65 Date of Response: 05/14/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up an unknown chemical spill in Pearl River County. This invoice is for the disposal costs.

To: Enhanced Environmental & Emergency Services
 Amount: \$2,892.80 Date of Response: 06/12/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a diesel spill in Madison County.

To: Enhanced Environmental & Emergency Services
 Amount: \$7,045.50 Date of Response: 07/10/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a hydraulic fluid/jet fuel spill in Leflore County.

To: Enhanced Environmental & Emergency Services
 Amount: \$4,011.58 Date of Response: 06/03/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and pick up an abandoned five gallon bucket in Jasper County. This bill is also for disposal costs.

To: Enhanced Environmental & Emergency Services
 Amount: \$65,364.03 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.

To: Enhanced Environmental & Emergency Services
 Amount: \$73,926.78 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.

To: Enhanced Environmental & Emergency Services
 Amount: \$52,996.50 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.

To: Enhanced Environmental & Emergency Services
 Amount: \$47,512.11 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.

To: Enhanced Environmental & Emergency Services
 Amount: \$60,747.99 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.

To: Enhanced Environmental & Emergency Services
 Amount: \$43,130.06 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.

To: Enhanced Environmental & Emergency Services
 Amount: \$9,982.30 Date of Response: 05/10/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up an hydrogen peroxide spill in Union County.

To: Enhanced Environmental & Emergency Services
 Amount: \$33,510.41 Date of Response: 05/14/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up an unknown chemical spill in Pearl River County. Disposal bill pending.

To: Enhanced Environmental & Emergency Services
 Amount: \$1,801.30 Date of Response: 07/07/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a petroleum product spill in Harrison County.

To: CTEH
 Amount: \$2,644.78 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and perform air monitoring services for a leaking UST in Desoto County.

To: CTEH
 Amount: \$67,602.99 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and perform air monitoring services for a leaking UST in Desoto County.

To: CTEH
 Amount: \$48,375.45 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and perform air monitoring services for a leaking UST in Desoto County.

To: CTEH
 Amount: \$26,465.25 Date of Response: 06/16/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and perform air monitoring services for a leaking UST in Desoto County.

To: CTEH
 Amount: \$16,891.90 Date of Response: 05/10/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up an hydrogen peroxide spill in Union County.

To: CTEH
 Amount: \$89,915.61 Date of Response: 05/14/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and perform air monitoring services for a fire in Tishomingo County.

To: CTEH
 Amount: \$787.50 Date of Response: 05/14/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and perform air monitoring services for a fire in Tishomingo County.

To: Enhanced Environmental & Emergency Services
 Amount: \$12,617.66 Date of Response: 05/30/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a diesel spill in Marshall County.

To: Enhanced Environmental & Emergency Services
 Amount: \$6,202.24 Date of Response: 06/29/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a leaking UST in George County.

To: Enhanced Environmental & Emergency Services
 Amount: \$5,853.30 Date of Response: 06/29/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a leaking UST in George County.

To: Enhanced Environmental & Emergency Services
 Amount: \$535.72 Date of Response: 06/20/17
 For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a hydraulic oil spill in Walthall County.

To: Enhanced Environmental & Emergency Services
Amount: \$1,776.84 Date of Response: 06/20/17
For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a hydraulic oil spill in Walthall County.

To: Enhanced Environmental & Emergency Services
Amount: \$61,797.80 Date of Response: 06/16/17
For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.

To: Enhanced Environmental & Emergency Services
Amount: \$51,910.16 Date of Response: 06/16/17
For: Costs associated with providing supervision, labor, equipment and materials to respond to and clean up a gasoline spill from a leaking UST in Desoto County.

ADMINISTRATIVE ORDERS

	<u>Respondent</u>	<u>Order No.</u>	<u>Summary</u>
1	Mr. Patrick Kirby Forrest Co., MS	Order No. 6774 17 Respondent agrees to comply with the requirements/obligations listed under #2 of this Agreed Consent Order.	This Agreed Consent Order approves the initiation of the clean-up of an unauthorized waste tire stockpile on the property located at 1600 East Hardy Street, Hattiesburg, MS.
2	Mr. Larry Frierson, Frierson Mine Pearl River Co., MS	Order No. 6775 17 Respondent agrees to comply with the requirements listed in Section 2 (A-F) of this Agreed Order which includes a penalty in the amount of \$6,000.00. Respondent agrees to pay this penalty within forty-five (45) days of this Agreed Order.	Respondent was in violation of operating a surface mine without the required storm water discharge permit.
3	Thornton Construction Co. Rankin Co., MS	Order No. 6776 17 Respondent agrees to pay MDEQ a penalty in the amount of \$6,000.00. Payments shall be set in installments and due as follows September 1, 2017 - \$2,000.00 October 1, 2017 - \$2,000.00 November 1, 2017 - \$2,000.00	Respondent was in violation of Mississippi's Large Construction Storm Water General Permit No. MSR 106906 that was effective during the inspection at the Cannon Ridge development located in Brandon, Mississippi (Rankin County).
4	Serenity Lane Pearl River Co., MS	Order No. 6777 17	The Commission adopted the Order at its August 24, 2017, meeting related to the Serenity Lane evidentiary hearing previously held before Commission designated Hearing Officer Frank Spencer on October 17 and 18, 2016. The parties included the Petitioners (residents of Serenity Lane who requested the hearing), Fort James Corporation (Intervenor) and MDEQ. In the Order, the Commission determined in part that the Serenity Lane site (Petitioners) in Pearl River County was not eligible for assessment and remediation funding from the Mississippi Nonhazardous Solid Waste Corrective Action Trust Fund (Miss. Code Ann. Section 17-17-63) and there was no need for further assessment and remediation activities at the site. The Order also determined in part that there is not substantial evidence indicating Fort James violated the Solid Wastes Disposal Law of 1974 (Miss. Code Ann. Sections 17-17-1 through 17-17-47) by disposing of solid wastes on the Serenity Lane property and further addressed evidentiary rulings.
5	MMC Materials Madison Co., MS	Order No. 6778 17 Respondent agrees to comply with the requirements/obligations listed under #5 of this Agreed Order.	Respondent has an interest in a tract of land located in Brookhaven, MS. The Site is impacted by dioxins and furans in the soils from the adjacent former Escambia Wood Treating facility at levels in excess of the Target Remediation Goals (TRG's), and, therefore, remediation of the Brownfield Agreement Site is necessary.

6	Norfolk Southern Railway Company Lauderdale Co., MS	Order No. 6779 17 Respondent agrees to comply with the requirements/obligations listed under #5 of this Agreed Order.	Respondent has an interest in a tract of land located in Meridian, MS. The Site's soils and groundwater may contain total petroleum hydrocarbons – diesel range organics – at levels in excess of the Target Remediation Goals (TRG's), and, therefore, remediation of the Site is necessary.
7	Adoption of Amendments to Title 11 of the Mississippi Administrative Code, Part 6, Chapter 9	Order No. 6780 17	This order confirms the adoption of the proposed amendments for MDEQ's "Regulations for the Certification of Municipal and Domestic Wastewater Facility Operators".
8	Pine Belt Regional Solid Waste Management Plan Jefferson Davis Co., MS	Order No. 6781 17	This order approves a modification that recognized an expansion of the existing Jefferson Davis County Class I Rubbish Site at the request of the Jefferson Davis County Board of Supervisors.
9	Resinall Mississippi, Inc. Forrest Co., MS	Order No. 6782 17 Respondent agrees to comply with the requirements/obligations listed under #3 of this Agreed Order.	Resinall Mississippi, Inc. desires to submit and MDEQ accepts the Site for participation in the Uncontrolled Site Voluntary Evaluation Program.
10	Christopher Wells d/b/a H & P Wells Water Well Drilling and Repair Service Columbia, MS	Order No. 6783 17 Respondent shall immediately cease and desist from engaging in the business of constructing or repairing wells; and Respondent shall immediately cease and desist from advertising and holding himself out to be a water well driller or pump installer/servicer.	Respondent was in violation of operating as water well/pump contractor in the state of Mississippi without the required license.
11	Mueller Casting and Copper Tube Products Itawamba Co., MS	Order No. 6784 17 Respondent agrees to pay MDEQ a penalty in the amount of \$55,000.00 within forty-five (45) days of this Agreed Order.	Violations are listed in Section 1 of this Agreed Order.
12	Mr. Murrah B. Hardy, Jr. Tallahatchie Co., MS	Order No. 6785 17 Respondent agrees to implement the acceptable agricultural water efficiency practices listed in Section 1 of this Agreed Order on or before August 15, 2020 and agrees to sign and submit Attachment 1 (Verification of Compliance) to MDEQ on or before August 15, 2020.	Respondent failed to comply with special terms and conditions of Groundwater Withdrawal Permit/Certificate of Coverage MS-GW-44536.
13	Woolfolk Farm & Land Company Tunica Co., MS	Order No. 6786 17 Respondent agrees to implement the acceptable agricultural water efficiency practices listed in Section 1, A and B of this Agreed Order on or before August 15, 2020 and agrees to sign and submit Attachment 1 (Verification of Compliance) to MDEQ on or before August 15, 2020.	Respondent failed to comply with special terms and conditions of Groundwater Withdrawal Permit/Certificate of Coverage MS-GW-38181.
14	Copiah County Board of Supervisors Copiah Co., MS	Order No. 6787 17	This order approves the modifications to include the addition of two new land application sites in Copiah County to be operated by Partridge-Sibley

			Industrial Services, Inc. for the land spreading of municipal bio solids and the expansion of the Hazlehurst Class II Rubbish site in Copiah County that is operated by the City of Hazlehurst.
15	Adoption of the Water Pollution Control Revolving Loan Fund Program Final FY 2017 Intended Use Plan	Order No. 6788 17	This order confirms the Adoption of the Water Pollution Control Revolving Loan Fund Program Final FY 2017 Intended Use Plan, which will supersede and replace the previous, and now expired, Final FY 2016 Intended Use Plan, Codified at 11 Miss. Admin. Code Part 6, Chapter 8.
16	EnPro Industries, Inc. Yalobusha Co., MS	Order No. 6789 17 Upon the effective date of this Agreed Order, Respondent agrees to continue to monitor the indoor air at the sample points inside the facility and shall continue until MDEQ approves a revised schedule. Respondent agrees to submit results of sampling to MDEQ within seven (7) days of receipt of the sampling results. Respondent further agrees to submit a plan for continued monitoring. Respondent agrees to notify MDEQ within seven (7) days of this Agreed Order with written documentation that it has made contact with the applicable property owners regarding access to their property for the installation of monitoring wells and an injection system. Respondent agrees to submit a Corrective Action Work Plan demonstrating remedial efforts within sixty (60) days of this Agreed Order, which at a minimum shall include the requirements listed in Section 4, 1 -- 7.	Respondent is aware that the Site is contaminated from prior Site operations and is aware that they are responsible with liability for this contamination. Respondent continues to comply with the requirements and direction from MDEQ to ensure protection of human health.
17	Washington County Board of Supervisors	Order No. 6790 17	This order approves the comprehensive update of the Washington County Solid Waste Management Plan
18	Lakeland Farms Leflore Co., MS	Order No. 6791 17 Respondent agrees to implement the acceptable agricultural water efficiency practices listed in Section I, A and B of this Agreed Order on or before August 15, 2020 and agrees to sign and submit Attachment 1 (Verification of Compliance) to MDEQ on or before August 15, 2020.	Respondent failed to comply with special terms and conditions of Groundwater Withdrawal Permit/Certificate of Coverage MS-GW-45359
19	H E Mosley, Inc. Lauderdale Co., MS	Order No. 6792 17 Respondent agrees to pay MDEQ a penalty in the amount of \$27,504.00. Respondent shall pay the first of two installments of \$13,752.00 to MDEQ within forty-five (45) days of this Agreed Order. Respondent shall pay the second installment in the amount of \$13,752.00 within ninety (90) days after the effective date.	Violations of Respondents SWMGP No. R1-092 are listed in Section 1 of this Agreed Order. Respondent was also in violation of MS Nonhazardous Solid Waste Management Regulations.
20	City of Maben Webster Co., MS	Order No. 6793 17 Respondent agrees to pay MDEQ a penalty in the amount of \$1,000.00 within forty-five (45) days of this Agreed Order.	Respondent was in violation of NPDES Permit No. MS0020966.
