### MDEQ Lifts Two Water Contact Advisories

(JACKSON, Miss.) – The Mississippi Department of Environmental Quality (MDEQ), through its Beach Monitoring Program, lifted water contact advisories Wednesday for sampling station 5 (Pass Christian West Beach) and sampling station 10 (Gulfport Central Beach). There are currently no advisories in effect across the Mississippi Gulf Coast.

The advisories are lifted for:

► **Station 5 -- Pass Christian West Beach -- the extent is from Fort Henry Ave. east to Elliot St.**

► **Station 10 -- Gulfport Central Beach -- one quarter mile east of Oak Ave. -- the extent is from Alfonso Dr. east to Arkansas Ave.**

More information about the Mississippi Beach Monitoring Program and the status of beach advisories is available at: <http://opcgis.deq.state.ms.us/beaches>.

To receive beach advisories directly, send an email to [rwilbur@mdeq.ms.gov](mailto:rwilbur@mdeq.ms.gov) for inclusion in a public group email list, text "MDEQbeach" to 95577, or follow MDEQ on Twitter: @MDEQ.
