GoCoast 2020 Final Report to be released on Monday in Biloxi

Governor Phil Bryant and MDEQ Executive Director, Trudy Fisher, to issue Final Report of the group representing the work of the GoCoast 2020 Commission.

Biloxi – The Final Report of the GoCoast 2020 Commission will be released at a press conference on Monday, January 28 at 10:00 A.M.

The event will be held at the Mississippi Gulf Coast Coliseum Convention Center in Biloxi in Room L5/L6.

Gov. Bryant and Mississippi Department of Environmental Quality Executive Director, Trudy Fisher, will release the GoCoast 2020 Final Report and will make remarks at the press conference.

GoCoast 2020 was established by Gov. Bryant through executive order to serve as the official advisory board for the allocation of funds received by the State of Mississippi under the RESTORE Act and to create a long-range planning strategy for the Mississippi Gulf Coast. More information is available at www.gocoast2020.com.
