MDEQ Announces Mississippi Restoration Projects

WHO: Mississippi Department of Environmental Quality, Executive Director Trudy Fisher

WHAT: Press Conference Detailing Announcement of Millions of Dollars In Restoration Projects

WHEN: Thursday, November 14th, 12:30 p.m.

WHERE: Moss Point Water Front (across street from Moss Point City Hall - 4412 Denny St, Moss Point, 39563)

MDEQ Executive Director, Trudy Fisher will hold a press conference Thursday, November 14th at 12:30 p.m. at the Moss Point Water Front to outline the details of the Restoration Projects that will include all 3 coastal counties. Full details of the projects are embargoed until the press conference.

"Enjoying the outdoors is a fundamental part of being a Mississippian. This announcement Thursday will address natural resources which are at the heart of the outdoor experience and take us one step closer to fulfilling our promise to "Make Mississippi Whole," said Director Fisher.
