MDEQ LIFTS BEACH CLOSURE FOR STATION IN HARRISON COUNTY

(JACKSON, Miss.) -- The Mississippi Department of Environmental Quality (MDEQ), through its Beach Monitoring Program, has lifted a beach closure issued May 18 for the following station:

- Station 12A - Biloxi West Central Beach -- near Rodenburg Avenue. The extent is from Travia Avenue east to Iberville Drive.

The precautionary beach closure was issued due to a sewer line break in Biloxi. Repairs by the city have been completed and samples indicate the water quality is acceptable.

Information on the Mississippi Beach Monitoring Program is available at:
<http://www.usm.edu/gcrl/msbeach/index.cgi>.

To receive beach advisories directly, send an email to rwilbur@deq.state.ms.us for inclusion in a public group email list or follow MDEQ on Twitter at <http://twitter.com/#!/MDEQ>.
