

MDEQ LIFTS JACKSON COUNTY BEACH ADVISORY

(JACKSON, Miss.) -- The Mississippi Department of Environmental Quality (MDEQ), through its Beach Monitoring Program, has lifted an advisory previously issued for the following station in Jackson County:

● Station 15 ? Shearwater Beach, near Holcomb Avenue, from Weeks Bayou to Ashley.

Water samples show the area has attained acceptable bacteria levels. The Gulf Coast Research Laboratory, which performs water sampling of the Mississippi Gulf Coast beaches for MDEQ, notifies the agency when an area returns to acceptable levels and safe conditions.

Information on the Mississippi Beach Monitoring Program is available at:
