

MISSISSIPPI COMMISSION ON ENVIRONMENTAL QUALITY  
OFFICIAL MINUTES  
JULY 26, 2018

The regular monthly meeting of the Commission on Environmental Quality was held on Thursday, July 26, 2018, in the Commission Hearing Room, 515 East Amite Street, Jackson, Mississippi, beginning at 9:00 a.m. Commissioners present were:

Patrick L. Johnson, Jr.  
Brenda Lathan  
Chat Phillips  
Jack Winstead, Chairman

Commissioners John Dane III and Billy Van Devender were not present.

Others present were: Gary Rikard, Executive Director; Joseph Curro, Tony Caldwell, Roy Furrh, staff of MDEQ; and other staff members and visitors whose names appear elsewhere in these minutes.

The meeting was called to order by Chairman Winstead, and after he said the invocation, the following business was transacted:

Election of Officers for Fiscal Year 2019 (July 2018 – June 2019)

On a motion made by Mr. Phillips and seconded by Ms. Lathan, the Commission voted to re-elect Jack Winstead to serve as Chairman and John Dane III to serve as Vice-Chairman of the Commission for Fiscal Year 2019. No other nominations were made.

Approval of Minutes

On motion made by Ms. Lathan and seconded by Mr. Johnson, the minutes of the May 24, 2018 meeting were approved and adopted as the Official Minutes.

Commission Approval of Brownfield Agreement

On behalf of staff, Mr. Joseph Curro recommended that the Commission approve the Brownfield Agreement between the Commission and MTB Properties, LLC regarding the remediation of brownfield property located at 206 Highway 182 East in Starkville, Mississippi. The administrative record for this environmental response project is referred to as the Humble Oil Property site. The property was previously operated as a fuel supply operation with underground storage tanks. Assessments revealed the extent of contamination in the shallow groundwater and soil at levels in excess of the Target Remediation Goals so remediation of the Brownfield Agreement Site is necessary. The proposed use of the Site after completion of all remediation will be a new restaurant and catering operation called "Humble Taco". The staff of the MCEQ evaluated the Brownfield Agreement and believes that, with the conditions and restrictions contained within the Brownfield Agreement, the Site will be in compliance with applicable State and Federal laws and standards and will be protective of the public health and the environment. Following staff presentation and after deliberation, on motion made by Mr. Phillips and seconded by Ms. Lathan, the Commission unanimously voted to approve the Brownfield Agreement between the Commission and MTB Properties, LLC regarding the remediation of brownfield property located at 206 Highway 182 East in Starkville, Mississippi.

Environmental Covenant for Yazoo Valley EPA

Mr. Joseph Curro stated that pursuant to the Commission's delegation regulations (11 Miss. Admin. Code Pt. 1, R.1.1.Y.), the Executive Director of MDEQ approved the Environmental Covenant between the Commission and Yazoo Valley Electric Power Association (EPA) regarding the remediation of property located at 651 East 15<sup>th</sup> Street in Yazoo City, MS. Environmental Site Assessments revealed the site was contaminated with petroleum hydrocarbons at levels in excess of Target Remediation Goals (TRGs) so remediation of the site was necessary. The staff of the MCEQ evaluated the proposed Environmental Covenant and believes that, with the conditions and restrictions contained within; the site will be in compliance with applicable State laws and standards and will be protective of the public health and the environment. This briefing was for informational purposes only, requiring no action by the Commission.

Water Pollution Control (Clean Water) State Revolving Fund Loan Program, Resolution of Necessity to Issue Bonds

On behalf of staff, Mr. Tony Caldwell stated that during the 2018 State legislative session, House Bill 1649 was passed and subsequently signed by the Governor. This bill provided for the issuance of \$5,000,000 in bonds to provide state matching funds required to obtain \$25,000,000 in available federal assistance to this program. The funds are loaned at low interest rates to facilitate the construction or improvement of Wastewater Treatment facilities in the state. In order to initiate this process, the Commission must adopt a Resolution of Necessity for issuance of these bonds. The Commission was previously provided with copies of the Resolution for consideration and staff recommended that the Commission adopt the Resolution of Necessity. Following staff presentation and after deliberation, on motion made by Mr. Phillips and seconded by Mr. Johnson, the Commission unanimously voted to adopt the Resolution of Necessity for issuance of the bonds necessary to obtain federal assistance available to the Water Pollution Control State Revolving Fund Loan Program.

Draft FY-2018 Water Pollution Control Revolving Loan Fund (WPCRLF) Program Intended Use Plan

On behalf of staff, Mr. Tony Caldwell briefed the Commission on the Draft FY-2018 Water Pollution Control Revolving Loan Fund (WPCRLF) Program Intended Use Plan. The Intended Use Plan identifies the loan funds available to our communities for the construction of wastewater infrastructure, the communities to receive these loan funds, the loan interest rate, program deadlines, and other related information. While there are 20-year loans available, this Intended Use Plan reflects the implementation of the new 30-year loan term availability. Public notice and a public hearing for the Draft Intended Use Plan will be scheduled to solicit public comments. Any comments received from the public or EPA will be addressed. Following staff presentation and after deliberation, on motion made by Ms. Lathan and seconded by Mr. Johnson, the Commission unanimously voted to conditionally adopt the Final FY-2018 WPCRLF Program Intended Use Plan, provided there are no changes or adverse comments during the public hearing.

C.F. Gollott and Son Seafood, Inc., D'Iberville, Harrison County, Mississippi, Request for Commission Hearing

Mr. Roy Furrh, MDEQ General Counsel, made a presentation on MDEQ staff's behalf regarding a request from C.F. Gollott and Son Seafood, Inc. ("Gollott") for a Commission hearing. The Commission was previously provided handouts submitted by Gollott and MDEQ. Mr. Furrh stated that Gollott was issued an NPDES permit in 2014, allowing it to discharge process wastewater used for shrimp processing into the Back Bay of Biloxi, Mississippi. The permit was based on applicable new source performance standards ("NSPS"). When it became apparent that Gollott would not be able to comply with the permit limits, Gollott entered an Agreed Order with the Commission giving Gollott until December 2016 to demonstrate compliance with the limits. The Agreed Order was amended to allow Gollott until December 2018 to demonstrate compliance. Gollott has requested a Commission hearing in which the Commission would consider whether to stay or revoke the Agreed Order and the Amendment to the Agreed Order and whether the Commission should initiate contact with the United States Environmental Protection Agency ("EPA") regarding the NSPS which, according to Gollott, were improperly promulgated.

Mr. Furrh stated that Gollott knew that new source performance standards would be included in its permit but did not comment during the two comment periods and further did not challenge the permit after it was issued. Mr. Furrh stated that by signing the Agreed and Amended Agreed Orders, Gollott expressly waived its right to a Commission hearing. Three years after permit issuance, Gollott also petitioned the Mississippi Environmental Quality Permit Board ("Permit Board") for a permit modification. MDEQ staff is in the process of scheduling that hearing. Mr. Furrh indicated that Gollott stated several arguments to support its request for stay or revocation of the Orders. Specifically, Gollott disagreed with MDEQ's basing the permit limits on average production numbers it derived from Gollott's discharge monitoring reports. Gollott also argued that MDEQ considered a water quality model in setting the permit limits. Mr. Furrh acknowledged the model had some deficiencies, but stated the permit limits were based on the categorical limits for NSPS and not numbers derived from the model. Additionally, Gollott argued the United States Environmental Protection Agency ("EPA") did not properly adopt the NSPS and requested the Commission appeal to EPA. Mr. Furrh stated the NSPS were adopted more than 44 years ago and Gollott did not challenge such adoption at that time. Mr. Furrh also stated that Gollott did not challenge the Commission regulations adopted decades ago which incorporated the NSPS. Mr. Furrh maintained Gollott's arguments regarding permit limits should be made to the Permit Board as part of Gollott's permit modification request. He recommended the Commission deny Gollott's request for a Commission

hearing, Gollott's request for revocation or stay of the Orders, and its request that the Commission appeal to EPA regarding its promulgation of the NSPS. Mr. Furrh stated that stay or revocation of the Orders would set a dangerous environmental enforcement precedent which would compromise the integrity of MDEQ's permitting and compliance and enforcement programs.

Mr. Keith Turner, legal counsel for Gollott, stated that Gollott made its hearing request pursuant to Miss. Code Ann. § 49-17-35 rather than Miss. Code Ann. § 49-17-31 which was the statute referred to in the Orders. He stated that Gollott experiences large fluctuations in production and MDEQ's use of average production numbers to derive permit limits was not consistent with the EPA's Permit Writers' Manual because actual production numbers should be used. Mr. Turner asserted the flawed WASP model played a role in the permit and because of that the permit was fundamentally flawed. Mr. Turner claimed the NSPS regulations were not properly promulgated by EPA and, therefore, are not valid. Mr. Dale Gollott stated Gollott had been in business since 1933 and that the issues before the Commission are critical to Gollott's future both financially and operationally. Mr. Gollott also stressed Gollott's environmental compliance record. Mr. Turner stated his opinion that the Commission should obtain independent legal counsel in matters such as these because MDEQ staff and legal staff are advising the Commission of their point of view.

Mr. Furrh responded that MDEQ staff has a recommendation and that the Commission makes its own decision after hearing from Gollott. Mr. Furrh stated that Miss. Code Ann. § 49-17-35 requires such investigations as the Commission deems necessary but allows the Commission discretion to determine whether it should grant a hearing. Mr. Furrh indicated the investigation includes the facts presented to the Commission.

Following Mr. Furrh's and Mr. Turner's presentations and Mr. Gollott's comments, and after deliberation, on motion made by Mr. Winstead and seconded by Mr. Phillips, the Commission unanimously voted to adopt the staff recommendation and deny Gollott's request for hearing; deny Gollott's request for a stay or revocation of the Agreed Order and Agreed Order Amendment; and deny Gollott's request for the Commission to petition EPA regarding promulgation of the NSPS regulations. There was some further discussion and Mr. Phillips stated one of the biggest concerns of the Commission was water quality issues on the Coast and that the Commission must be diligent in addressing those issues. Mr. Phillips also thanked Mr. Gollott for taking the time to come to Jackson. In order to make the record clear, the Commission, on motion made by Mr. Phillips and seconded by Ms. Lathan unanimously voted to deny Gollott's request for a stay of the Agreed Order and Agreed Order Amendment.

#### Solid Waste Assistance Grants and Waste Tire Grants

On previous authority delegated to the Executive Director, MDEQ, the Commission was provided a listing by staff of the following solid waste assistance grants that have been awarded to local governments:

<u>County/ Municipality</u>	<u>Grant Amount</u>
Pike County BOS	\$19,316.00
Simpson County BOS	\$13,365.00
Wilkinson County BOS	\$8,278.00
George County BOS	\$11,769.00
Marshall County BOS	\$14,761.00
Stone County BOS	\$9,774.00
Union County BOS	\$11,569.00
Franklin County BOS	\$8,976.00
Madison County BOS	\$16,058.00
Hancock County BOS	\$60,000.00
Tishomingo County BOS	\$10,871.00
Tate County BOS	\$11,569.00
City of Picayune	\$25,000.00

On previous authority delegated to the Executive Director, MDEQ, the Commission was provided a listing by staff of the following waste tire grants that have been awarded to local governments:

**County/ Municipality****Grant Amount**

Claiborne County BOS	\$20,000.00
Leake County BOS	\$25,000.00
Carroll County BOS	\$30,000.00
Bolivar County BOS	\$57,000.00
Harrison County BOS	\$51,500.00

**Asbestos Certifications**

On previous authority delegated to the Head, Office of Pollution Control, the staff reported that 265 asbestos certifications had been issued since the last report.

**Emergency Clean-Up Expenses**

On previous authority delegated to the Executive Director, the staff reported the Emergency Clean-Up Expenses incurred since the Commission's last meeting. A list of these expenses is made a part of these minutes and is filed in the Official Minutes File.

**Lead Paint Certifications**

On previous authority delegated to the Head, Office of Pollution Control, the staff reported that 103 lead paint certifications had been issued since the last report.

**Underground Storage Tank (UST) Certifications**

On previous authority delegated to the Head, Office of Pollution Control, the staff reported that 30 certifications to those who install, alter, or remove underground storage tanks had been issued since the last report.

**Administrative Orders**

On previous authority delegated to the Executive Director, DEQ, the staff reported that 21 Administrative Orders and 2 Amended Orders have been issued since the Commission's last meeting. A list of these orders is made a part of these minutes and is filed in the Official Minutes File.

**Setting of Meeting**

It was the decision of the Commission to meet next on Thursday, August 23, 2018, beginning at 9:00 a.m., in the Commission Hearing Room, 515 East Amite Street, Jackson, Mississippi.

**Adjournment**

There being no further business to come before the Commission, the meeting was adjourned.

**ATTEST:**

  
**EXECUTIVE DIRECTOR**

  
**CHAIRMAN**

EMERGENCY SERVICES CLEAN UP

To:	Complete Environmental	Date of Response: 02/24/18
Amount:	\$4,032.58	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a diesel spill in Perry County.	
To:	Complete Environmental	Date of Response: 03/08/18
Amount:	\$1,476.32	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up leaking abandoned drums left on a property in Pike County.	
To:	Complete Environmental	Date of Response: 03/08/18
Amount:	\$927.78	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up leaking abandoned drums left on a property in Pike County. This invoice is for the disposal costs.	
To:	Complete Environmental	Date of Response: 04/23/18
Amount:	\$2,563.78	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up an abandoned diesel/engine oil spill in Neshoba County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 04/06/18
Amount:	\$1,887.51	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help pick up and dispose of some abandoned drums in Yazoo County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 04/10/18
Amount:	\$2,271.10	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a diesel spill in Jackson County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 05/05/18
Amount:	\$2,391.66	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a petroleum products spill in Harrison County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 04/04/18
Amount:	\$2,485.04	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a diesel spill in Lincoln County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 04/03/18
Amount:	\$2,004.19	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a diesel spill in Copiah County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 01/23/18
Amount:	\$4,465.93	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and pick up two abandoned drums in Monroe County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 10/07/17
Amount:	\$6,155.02	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a gasoline spill in Lee County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 01/04/18
Amount:	\$3,438.90	
For:	Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a diesel spill in Pearl River County.	
To:	Enhanced Environmental & Emergency Services	Date of Response: 03/20/18
Amount:	\$11,840.31	

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help clean a motor oil/diesel spill in Marshall County.

**To:** Enhanced Environmental & Emergency Services

**Amount:** \$23,681.10

**Date of Response:** 02/13/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help place boom around a sunken vessel. To prevent further spread of the boat fuel in Tishomingo County.

**To:** Enhanced Environmental & Emergency Services

**Amount:** \$2,100.64

**Date of Response:** 04/05/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a gasoline spill in Tate County.

**To:** Enhanced Environmental & Emergency Services

**Amount:** \$10,229.43

**Date of Response:** 02/05/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a chicken feed spill in Hinds County.

**To:** CTEH

**Amount:** \$10,656.90

**Date of Response:** 05/02/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help identify an unknown odor in Yazoo County.

**To:** CTEH

**Amount:** \$10,196.99

**Date of Response:** 05/31/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a sulfur spill in Panola County.

**To:** Complete Environmental

**Amount:** \$2,405.91

**Date of Response:** 12/30/17

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up an abandoned oil spill in Jackson County.

**To:** Complete Environmental

**Amount:** \$676.96

**Date of Response:** 02/24/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a diesel spill in Perry County. This invoice is for transportation and disposal costs.

**To:** Enhanced Environmental & Emergency Services

**Amount:** \$3,924.97

**Date of Response:** 02/24/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a diesel spill in Perry County. This invoice is for transportation and disposal costs.

**To:** Enhanced Environmental & Emergency Services

**Amount:** \$11,006.52

**Date of Response:** 05/02/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help identify an unknown odor in Yazoo County.

**To:** Enhanced Environmental & Emergency Services

**Amount:** \$1,059.58

**Date of Response:** 05/22/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up a Sodium Bromide spill in Harrison County.

**To:** Enhanced Environmental & Emergency Services

**Amount:** \$2,267.40

**Date of Response:** 02/16/18

**For:** Costs associated with providing supervision, labor, equipment and materials to respond to and help clean up an abandoned oil spill in Hinds County.

ADMINISTRATIVE ORDERS

	<u>Respondent</u>	<u>Order No.</u>	<u>Summary</u>
1	Roxie POTW Franklin Co., MS	Order No. 6850 18 Respondent agrees to pay MDEQ a penalty in the amount of \$750.00 with forty-five (45) days of this Agreed Order. Respondent also agrees to comply with all terms and conditions listed under Section #2 of this Agreed Order.	Respondent was in violation of NPDES Permit No. MS0024830
2	Three Rivers Regional Solid Waste Management Authority Lafayette Co., MS	Order No. 6851 18 Respondent agrees to comply with the orders listed in Section 5 of this Order.	This order approves the modified version of the Three Rivers Regional Solid Waste Management Plan as requested by the Three Rivers Regional Solid Waste Authority. Specifically, the order approves the Authority's modification to include a new medical waste processing facility in the plan owned and operated by GreenServ Sterilization, LLC in order to meet the growing medical waste management needs of Mississippi and the surrounding states.
3	Yazoo Valley Electric Power Association Yazoo Co., MS	Order No. 6852 18 Respondent agrees to comply with the requirements/obligations listed under #5 of this Agreed Order.	Respondent has an interest in a tract of land located in Yazoo City, MS. The Site is contaminated with petroleum hydrocarbons at levels in excess of the Target Remediation Goals (TRG's), and, therefore, remediation of the Site is necessary.
4	Murphy Oil USA, Inc. El Dorado, AR	Order No. 6853 18 Respondent agrees to pay MDEQ a penalty in the amount of \$130,000.00 within forty-five (45) days of this Agreed Order.	Respondent owns/or operates several UST's in Mississippi. Facilities are listed in Section I and violations are listed in Section 2 of this Agreed Order.
5	Title V State Air Permit Fee	Order No. 6854 18	This order authorizes the Commission to set the federally mandated Title V air permit fee in an amount sufficient to cover the reasonable costs of the development and administration of the Mississippi Title V air operating permit program.
6	Proposed amendments to "Regulations for the Prevention, Abatement, and Control of Air Contaminants" and revision to the "SIP for Control of Air Pollution"	Order No. 6855 18	This order confirms the adoption of the proposed amendments for MDEQ's Air Emission Regulations for the Prevention, Abatement, and Control of Air Contaminants along with the associated Revisions to the Mississippi State Implementation Plan (SIP) for Control of Air Pollution (SIP Revision). Mississippi Administrative Code, Part 2, Chapter 1.
7	Petitioner's Evidentiary Hearing Request Regarding Melton Properties, LLC, Caroline McComb Scheppe, and the Caroline McComb Scheppe Trust Number One to address contamination caused by a train derailment Leflore Co., MS	Order No. 6856 18	This Scheduling Order was issued to schedule deadlines for pre-filed testimony, motions, responses, rebuttal, and witness lists and to schedule the evidentiary hearing requested before the Commission by Petitioners Melton Properties, LLC, Caroline McComb Scheppe, and the Caroline McComb Scheppe Trust Number One on November 14-15, 2018.
8	Matter of the Adoption of Amendments to Title 11 of the Mississippi Administrative Code, Part 3, Chapter 1, Entitled "Hazardous Waste Management Regulations"	Order No. 6857 18	This order confirms the adoption of the proposed amendments for MDEQ's "Hazardous Waste Management Regulations".

9	Matter of the Adoption of Amendments to Title 11 of the Mississippi Administrative Code, Part 7, Chapter 3, Entitled "Dam Safety Regulations"	Order No. 6858 18	This order confirms the adoption of the proposed amendments for MDEQ's "Dam Safety Regulations".
10	Lauderdale County Board of Supervisors Lauderdale Co., MS	Order No. 6859 18	This order approves the modification to the Lauderdale County Solid Waste Management Plan. Specifically, the order approves a modification to recognize an expansion of the H.E. Mosley Inc. Class I Rubbish Landfill in Lauderdale County operated by H.E. Mosley for the continue disposal of class I rubbish waste in Lauderdale County.
11	Desoto County Board of Supervisors Desoto Co., MS	Order No. 6860 18	This order approves the modified version of the Desoto County Solid Waste Management Plan as requested by the Desoto County Board of Supervisors (Board). Specifically, the order approves the Boards modification to include nine (9) additional areas all owned by Roundaway Farms, Inc. for the land application of biosolids from the Desoto County Regional Utility Authority wastewater treatment plants.
12	Imbeau Bayou Plantation Quitman Co., MS	Order No. 6861 18 Respondent agrees to comply with special terms and conditions of permit/certificate listed in Section 1-A&B of this Agreed Order.	Respondent failed to comply with special terms and conditions of Groundwater Withdrawal Permits/Certificates of Coverage MS-GW-46782.
13	Michael Stephen Havard George Co., MS	Order No. 6862 18 Respondent shall pay all outstanding fees and a penalty in the total aggregate amount of \$620.00 (Six hundred Twenty Dollars) to reinstate his license through June 30, 2018.	Respondent was in violation of fulfilling requirements for renewing his license.
14	BCF-09 Tunica Co., MS	Order No. 6863 18 Respondent agrees to comply with special terms and conditions of permit/certificate listed in Section 1-A&B of this Agreed Order.	Respondent failed to comply with special terms and conditions of Groundwater Withdrawal Permits/Certificates of Coverage MS-GW-45777
15	BCF-09 Tunica Co., MS	Order No. 6864 18 Respondent agrees to comply with special terms and conditions of permit/certificate listed in Section 1-A&B of this Agreed Order.	Respondent failed to comply with special terms and conditions of Groundwater Withdrawal Permits/Certificates of Coverage MS-GW-45779
16	BCF-09 Tunica Co., MS	Order No. 6865 18 Respondent agrees to comply with special terms and conditions of permit/certificate listed in Section 1-A&B of this Agreed Order.	Respondent failed to comply with special terms and conditions of Groundwater Withdrawal Permits/Certificates of Coverage MS-GW-45776
17	MTB Properties, LLC Oktibbeha Co., MS	Order No. 6866 18 Respondent agrees to the payment terms and conditions listed in this Agreed Order.	This order is the Brownfields Schedule order that covers the financial arrangement of the Brownfields agreement.
18	Weyerhaeuser Company, NR Neshoba Co., MS	Order No. 6867 18 Respondent agrees to comply with the requirements/obligations listed under #5 of this Agreed Order.	Respondent has an interest in a tract of land located in Philadelphia, MS. The Site is contaminated with Pentachlorophenol and Diesel Range Organics at levels in excess of the Target Remediation Goals (TRG's), and, therefore, remediation of the Site is necessary.
19	Johnston-Tombigbee Furniture Manufacturing Company Columbus, MS	Order No. 6868 18 Respondent agrees to comply with the terms and conditions listed under Section #2.	Respondent was in violation of Title V Permit No. 1680-00024.

20	City of Hattiesburg Forrest Co., MS	Order No. 6869 18	This Agreed Order incorporates the terms of settlement in a citizen's suit brought by Gulf Restoration Network against the City of Hattiesburg. The City agrees to a \$1500 per day stipulated penalty as they are assessed by MDEQ for violations of Permit MS0020303 that meet or exceed the definition of Significant Noncompliance.
21	Clifford R. Woolfolk Tate Co., MS	Order No. 6870 18 Respondent has requested reinstatement of his license and has agreed to pay the \$210.00 in fees associated with such reinstatement.	Respondent did not comply with all terms for renewing his Pump Installer's License No. (RPO-00006176), which expired on June 30, 2018.

Amended Orders

1	Valley Services, Inc. dba Traditions Rankin Co., MS	Amended Agreed Order No. 6839 18	Respondent agrees to comply with the amended requirements listed in Section I of this Agreed Order Amendment.
2	Yazoo Valley Electric Power Association Yazoo Co., MS	Amended Agreed Order No. 6852 18	Respondent agrees to comply with the amended requirements listed in Section I of this Agreed Order Amendment.
