

**MINUTES OF THE MISSISSIPPI ENVIRONMENTAL QUALITY PERMIT BOARD
HELD IN JACKSON, MISSISSIPPI, ON TUESDAY, OCTOBER 09, 2018**

The Mississippi Environmental Quality Permit Board held a meeting in the Commission Hearing Room of the Department of Environmental Quality, located at 515 East Amite Street, on October 09, 2018. Jim Hoffmann called the meeting to order at 9:00 a.m. with the following members and designated representatives present:

Jim Hoffmann for Kay Whittington, Chair
Adam Choate for Andy Gipson, Vice Chair
Jennifer Wittmann for Joe Spraggins
Duncan Welch for Les Herrington
Dennis Riecke for Dr. Sam Polles
David Dockery

Roy Furrh, General Counsel for MDEQ, was present as legal counsel. On motion by Duncan Welch and seconded by Dennis Riecke, the minutes of the September 11, 2018, meeting were approved by the Permit Board.

REPORT OF STAFF PERMIT ACTIONS/CERTIFICATIONS

Staff reported to the Permit Board that staff had acted on various permits since the September 11, 2018, Permit Board Meeting pursuant to the regulations delegating this authority to the Executive Director of the Mississippi Department of Environmental Quality and the Executive Director’s delegation of this authority to the staff in accordance with those regulations. General Counsel Roy Furrh called the Board’s attention to the attached decision by the Executive Director dated September 18, 2018, regarding a water quality certification and storm water permit coverage previously issued to Renaissance at Colony Park, LLC. Mr. Furrh reminded the Permit Board that it had previously held an evidentiary hearing regarding the certification and storm water permit coverage. He stated that the parties who requested the evidentiary hearing did not appeal the Permit Board’s decision to issue the certification or storm water permit coverage. Mr. Furrh stated that after the hearing, the Mississippi Supreme Court struck down a zoning amendment that would that would have allowed Costco, the project anchor, to locate a service station on a portion of the site. Mr. Furrh stated that project opponents requested modification or revocation of the certification based on the Court’s reversal of the zoning amendment. Mr. Furrh stated MDEQ’s view is that modification or revocation of the certification is not required. Mr. Furrh stated that the Executive Director’s decision was before the Permit Board solely for the Board to note and record the decision on its minutes. Mr. Furrh stated that opponents would have 30 days from today to request a hearing before the Permit Board. Mr. Furrh noted that the service station Costco originally planned to locate on the certification site would be moved across the street where there are no wetlands. The Permit Board voted to note and record in its minutes the reports of permit actions/certifications by staff since the September 11, 2018, Permit Board Meeting including the September 18, 2018, decision by the Executive Director. [Jim Hoffmann abstained from voting on all Land and Water Resources permitting matters and David Dockery abstained from voting on all Geology permitting matters].
