

MDEQ Certified UST Technician

Replacement of Flex Connectors (NOT Allowed)

MDEQ will **NOT** allow an individual who is certified as a Technician to **REPLACE** flex connectors on UST pipes. Replacement of flexible connectors other inline pipe fittings including ball valves or unions requires MDEQ Installation licensure as defined in 11 Miss. Admin. Code Pt.5, Ch. 3.

Replacement of STP motors (Allowed)

MDEQ will allow an individual who is certified as a Technician to REMOVE / REPAIR / REPLACE submersible turbine pump motors as long as the piping is NOT disconnected. This is considered a Non-Invasive repair by MDEQ.

Replacement of Shear Valve Tops (Allowed)

MDEQ will allow an individual who is certified as a Technician to REPLACE shear (impact) valve tops as long as the piping is NOT disconnected from the body of the shear valve. This is considered a Non-Invasive repair by MDEQ.
