**Issuance of Coverage to Marvin Allen Farms LLC under the AFO General Permit
#MSG201988, Smith County**

**Issuance of Coverage to Marvin Allen Farms LLC under the Large Construction
Storm Water General Permit
#MSR107771, Smith County**

Mrs. Tracy Tomkins, of the Environmental Permits Division, advised the Permit Board that Marvin Allen, the owner of Marvin Allen Farms LLC, applied for coverage under the State of Mississippi Dry Litter Poultry Animal Feeding Operation Multimedia General Permit (No. MSG201988) and the Large Construction Storm Water General Permit (No. MSR107771) located in Smith County. The applicant submitted a Large Construction Notice of Intent, a Construction Storm Water Pollution Prevention Plan, a Dry Litter Poultry Notice of Intent, and a Comprehensive Nutrient Management Plan developed by the Natural Resources Conservation Service to MDEQ as part of the permit applications. The applicant proposes to disturb approximately 7.5 acres of land to construct six poultry houses which would house a total of 162,000 broilers.

As proposed in the nutrient management plan, dry litter production is estimated to be 1,476 tons per year; the applicant plans to transfer an estimated 1,220 tons per year off site. The nutrient management plan identified the availability of 127.4 spreadable acres, thus, the applicant will spread the remaining dry litter on this acreage. The applicant sent out contiguous landowner notifications as required by the Poultry General Permit. MDEQ received one letter of concern from Mr. Michael Cowart who stated his concern that contaminated storm water will enter streams, his water well, and his pond. The permit applicant was present to answer the Permit Board's questions and address the concerns of any objectors; however, there were no objectors present who spoke against the permit issuance.

Mrs. Tomkins stated that MDEQ had inspected the facility and concluded that the facility met requirements of the laws and regulations including the regulatory siting criteria. Mrs. Tomkins recommended issuance of coverages under the AFO General Permit and the Large Construction Storm Water General Permit.

On motion by Chris McDonald and seconded by Les Herrington, the Permit Board voted to accept the staff's recommendation to issue the permit coverages.

OTHER BUSINESS

Renaissance at Colony Park, LLC Petitioner's Request for Revocation of Section 401 Water Quality Certification (No. 2015041) Madison County, Mississippi

The matter before the Permit Board was a formal evidentiary hearing regarding the Mississippi Department of Environmental Quality ("MDEQ")'s denial of Petitioner Stephen M. Maloney's request for revocation of a Section 401 water quality certification (No. 2015041) ("Certification") issued to Renaissance at Colony Park, LLC for a commercial development in Ridgeland, Madison County, Mississippi. The Permit Board originally issued the Certification to Renaissance on June 30, 2016, and affirmed the issuance after a formal evidentiary hearing held before the Permit Board on November 8, 2016. On July 20 and September 5, 2018, Mr. Maloney requested MDEQ to revoke the Certification based on a Supreme Court of Mississippi zoning decision in April 2018, which reversed a City of Ridgeland zoning amendment which would have allowed Costco to operate a fueling station on the site. On September 18, 2018, MDEQ's Executive Director denied Mr. Maloney's revocation request and on October 9, 2018, the Permit Board voted to note and record the decision on its minutes. On November 8, 2018, Mr. Maloney petitioned the Permit Board to hold a formal evidentiary hearing to review MDEQ's denial of his revocation request.

Douglas Levanway, Esq. served as the Hearing Officer. MDEQ was represented by its General Counsel Roy Furrh and Senior Attorney Lisa Ouzts. Renaissance was represented by John Brunini and Parker Berry of the Butler Snow law firm. Petitioner Steve Maloney, who is also an attorney, represented himself with the assistance of Kathleen Morgan. MDEQ pre-filed direct testimony through the affidavit of Florance Bass, P.E. Renaissance pre-filed direct testimony through the affidavits of Andrew Mattiace and Walt Dinkelacker. Petitioner Maloney did not pre-file any testimony other than his own testimony authenticating documents from a zoning matter on appeal to the Mississippi Supreme Court. All witnesses were present at the hearing and tendered for cross-examination by the opposing parties, for questioning by the Permit Board, and for redirect.

Hearing Officer Levanway informed the Permit Board that he had ruled on several motions during a motion hearing held on April 25, 2019. Specifically, the hearing officer granted the following motions: MDEQ's Motion to Strike Exhibits Submitted by Petitioner Stephen M. Maloney; MDEQ's Motion in Limine and Supplemental Motion to Strike Documents Identified by Petitioner Stephen M. Maloney in His Pre-Filed Rebuttal Submission; MDEQ's Motion to Quash Subpoenas; Renaissance's Motion to Intervene; Renaissance's Motion to Strike – Exhibits of Petitioner Stephen M. Maloney; Renaissance's motion in Limine – Adverse Witnesses of Petitioner Stephen M. Maloney; and Renaissance's Motion to Quash Subpoenas. Petitioner Maloney withdrew his Motion in Limine to Exclude all Reference to Feasible Alternatives Analysis and the hearing officer granted the voluntary withdrawal. Hearing Officer Levanway denied Petitioner Maloney's Motion to Revoke as a Matter of Law because hearing officers do not have legal authority to grant dispositive motions. Hearing Officer Levanway also informed the Permit Board that on May 13, 2019, Petitioner Maloney was allowed to proffer the documents and testimony excluded by the hearing officer through his rulings on the various motions in limine, motions to strike, and motions to quash.

Mr. Furrh and Mr. Brunini each made opening statements on behalf of their respective clients and Mr. Maloney made an opening statement on his own behalf. Ms. Bass testified on MDEQ's behalf

through her pre-filed direct affidavit and was tendered for cross-examination by the parties, for questioning by the Permit Board, and for redirect. Mr. Mattiace and Mr. Dinkelacker testified on Renaissance's behalf through their pre-filed direct affidavits and were tendered for cross-examination by the parties, for questioning by the Permit Board, and for redirect.

After the conclusion of the testimony, Mr. Furrh, Mr. Brunini, and Mr. Maloney made closing arguments. The matter was then presented to the Permit Board for its decision. On motion by Dennis Riecke and seconded by Jennifer Wittman, the Permit Board voted unanimously to affirm MDEQ's denial of Petitioner Maloney's revocation request. After the Permit Board left the hearing room, Mr. Maloney was allowed to proffer a document he sought to introduce during the hearing and the hearing record was closed.
