

**LIST OF CERTIFIED
ELECTRONICS RECYCLERS
FOR USE BY MISSISSIPPI STATE AGENCIES
(UPDATED NOVEMBER 2019)**

**Mississippi Department of Environmental Quality
Waste Division**

This document has been prepared in accordance with §49-2-101 et seq. of the Mississippi Code Annotated (2014) which requires the Mississippi Department of Environmental Quality (MDEQ) to maintain a list of certified electronics recyclers for use by State Agencies when disposing of electronics. According to §49-2-103 Miss. Code Ann. (2014), all State Agencies are required to use a certified recycler for disposal of electronics starting July 1, 2014. This list will be periodically updated and is only as accurate as the information provided on the R2 Solutions and e-Stewards Certification Program web sites at the time of update. The inclusion of a company in this list is not to be considered an endorsement by MDEQ. For more information on this listing, please contact the Waste Division of MDEQ at 601-961-5171.

Mississippi Code Annotated §49-2-101 et seq. (2014)

§ 49-2-101. Definitions As used in Sections 49-2-101 and 49-2-103:

- (a) "Electronics" means a personal computer, computer component, audio player, videocassette player, facsimile machine, copy machine, cellular telephone, wireless paging device, or any electronic item containing an intact or broken cathode-ray tube. An electronic item containing a cathode-ray tube includes a television, computer monitor, or any other cathode-ray tube monitor or display device.
- (b) "Recycler" means a person who uses, reuses or reclaims obsolete electronic equipment and associated materials.

§ 49-2-103. Program to encourage certification of electronic recyclers; directory of certified electronic recyclers; compliance; applicability

- (1) The Department of Environmental Quality shall develop a program to encourage all electronic recyclers to become certified by demonstrating to an accredited, independent third-party auditor that they meet specific standards to safely recycle and manage electronic equipment.
- (2) The Department shall maintain a directory of recyclers meeting the accredited certification standards of Responsible Recycling Practices (R2) and the e-Stewards Standards and any recyclers who have been certified by an accredited, independent certification auditor listed by the ANSI-ASQ National Accreditation Board (ANAB) as an organization that certifies recyclers to available recycling standards.
- (3) State agencies shall use a certified recycler on the directory for the disposal of agency electronics.
- (4) The Department of Environmental Quality and state agencies shall comply with this section no later than July 1, 2014.
- (5) This section does not apply to the donation of electronics to public schools, state agencies, local governments or nonprofit organizations.
