Surface Mining Permits to Rescind

R & F Materials requested their surface mining permits P92-104 and P94-126, adjacent to each other and within the city limits of Brandon (Rankin County) be rescinded and bonds returned. Inspection of the permits found them to be reclaimed with planted pine trees, grassed slopes and in various stages of development. There are no future plans for further mining on these sites.

On motion by Dennis Riecke and seconded by Les Herrington, the Permit Board voted to accept the staff's recommendation to rescind the permits and return the bonds. (David Dockery abstained)

OTHER BUSINESS

MDEQ's General Counsel, Roy Furrh, informed the Permit Board that the proposed NCL Landfill permits in Madison County will be included on the Permit Board Agenda for next month's December 10th Permit Board Meeting. Mr. Furrh also informed the Permit Board that the public comments; the transcript from the public hearing held recently; and other documents related to the project will be provided to the Permit Board members for review before the December 10th meeting. Mr. Furrh indicated that there should be a large, possibly overflow, crowd to attend the meeting and the MDEQ staff is aware to make proper arrangements to accommodate.

After discussion, the Permit Board agreed to begin the Permit Board meeting at the 9:00 am regular time and first consider the agenda items (other than proposed NCL Permits). For the NCL matter, the Permit Board agreed to the following: the Permit Board will take a recess after the other agenda items are considered and reconvene at 10:30 a.m. to consider the proposed NCL Permits; the Permit Board will next hear the presentation by MDEQ staff related to the proposed NCL permits; the Permit Board will then hear from the applicant; the Permit Board anticipates a break for lunch; during the lunch break, persons wishing to make opinion statements will need to sign in at tables set-up in the first floor lobby of MDEQ's office; after the lunch break, the Permit Board will hear from persons (who have signed-in) regarding the proposed NCL permits; each speaker will be allowed up to 3-minutes (there will be a time indicator at the meeting); and, at the conclusion of the meeting, the Permit Board will consider the matter.

The Permit Board also discussed the possibility of considering the adoption of rules and regulations to address persons who want to make opinion statements to the Permit Board at Permit Board meetings.
