1.1.2. Late Submissions

A bid received at the place designated in the solicitation for receipt of bids after the exact time specified for receipt will not be considered unless it is the only bid received, or it is received before award is made and was sent by registered or certified mail not later than the fifth (5th) calendar day before the date specified for receipt of bids. Where applicable, MDEQ will determine whether the late receipt was due solely to mishandling by MDEQ after receipt at the specified address.

The only acceptable evidence to establish the date of mailing of a late bid is the U.S. Postal Service postmark on the wrapper or on the original receipt from the U.S. Postal Service. If the postmark does not show a legible date, the contents of the envelope or package shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression, exclusive of a postage meter impression, that is readily identifiable without further action as having been supplied and affixed by the U.S. Postal Service on the date of mailing. Bidders should request postal clerks to place a hand cancellation postmark (often called a bull's eye) on both the receipt and the envelope or wrapper.

The only acceptable evidence to establish the time of receipt at the office identified for bid opening is the time and date stamp of that office on the bid wrapper or other documentary evidence of receipt used by that office.

1.2 Expenses Incurred in Preparing Bid

MDEQ accepts no responsibility for any expense incurred by the bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the bidder.

1.3 Bid Form

All pricing must be submitted on the bid form (**Attachment B**). Failure to complete and/or sign the bid form may result in the bidder being determined nonresponsive.

1.3.1 Bidder Certification

The bidder agrees that submission of a signed bid form is certification that the bidder will accept an award made to it as a result of the submission.

1.4 Registration with Mississippi Secretary of State

By submitting a bid, the bidder certifies that it is registered to do business in the State of Mississippi as prescribed by the Mississippi Secretary of State or, if not already registered, that it will do so within seven (7) business days of being offered an award. Sole proprietors are not required to register with the Mississippi Secretary of State.

1.5 Debarment

By submitting a bid, the bidder certifies that it is not currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi or Federal government and that it is not an agent of a person or entity that is currently debarred from submitting bids for contracts issued by any political subdivision or agency of the State of Mississippi.

1.6 Competitive Bids

Discussions may be conducted with bidders who submit bids determined to be reasonably susceptible of being selected for award. Likewise, MDEQ also reserves the right to accept any bids as submitted for contract award, without substantive negotiation of proposed terms, services or prices. For these reasons, all parties are advised to propose their most favorable terms initially.

1.7 Additional Information

Questions about this procurement document must be submitted in writing to MDEQ to Aveleka Moore at amoore@mdeq.ms.gov. Bidders are cautioned that any statements made by contact persons that cause a material change to any portion of the bid document shall not be relied upon unless subsequently ratified by a formal written amendment to the bid document. All questions and requests

for clarifications must be submitted by the deadline specified in Section 1.1.1 and made in writing. The person submitting the question or request for clarification is responsible for its timely delivery. All questions, request for clarifications, and answers received by the deadline shall be published as an amendment on the agency website and onto the Mississippi Contract/Procurement Opportunity Search Portal in a manner that all will be able to view by the deadline specified in Section 1.1.1.

Bidders shall acknowledge receipt of any amendment to the solicitation by signing and returning the amendment with the bid, by identifying the amendment number and date in the space provided for this purpose on the bid form. The acknowledgement must be received by MDEQ by the time and at the place specified for receipt of bids.

1.8 Type of Contract

Compensation for services will be in the form of a firm fixed-price agreement.

1.9 Written Bids

All bids shall be in writing.

SECTION 2

2.1 Purpose

Mississippi Department of Environmental Quality is seeking to establish a contract to provide Visible Emissions Evaluation Training and Certification Sessions (Smoke Schools).

It is understood that any contract resulting from MDEQ-IFB10262020 requires approval by the Public Procurement Review Board (“PPRB”) and/or the Mississippi Department of Finance and Administration Office of Personal Service Contract Review (“OPSCR”). If any contract resulting from IFB-10262020 is not approved by the PPRB and/or OPSCR, it is void and no payment shall be made.

2.2 Scope of Services

The Contractor shall perform the following tasks:

- 1) Contractor shall provide two (2) Visible Emissions Evaluation Training and Certification Sessions (Smoke Schools) per calendar year. The classroom training portion will emphasize the principles and practice of 40 CFR Part 60, Appendix A, Test Method 9 observations as well as the certification procedures. (Each classroom portion will be approximately one-half day in length). The certification portion will afford students the opportunity to become certified as a qualified observer in Test Method 9.
- 2) The Contractor shall not charge any fee(s) to any eligible person attending MDEQ’s Visible Emissions Evaluation Training and Certification Sessions (Smoke Schools).
- 3) The Contractor shall provide registration of all applicants.
- 4) The Contractor shall provide sites for the field certification testing.
- 5) The Contractor shall provide all necessary fuel and equipment for field certification testing.

- 6) The Contractor shall provide certification testing in accordance with 40 CFR Part 60, Appendix A, Test Method 9 requirements. For each Smoke School, testing for certification shall be continued until all applicants have completed qualifications or until at least twelve (12) runs are completed over the course of two (2) days of testing and evaluation. In the event weather conditions or smoke generator problems prevent the completion of all runs in the two (2) allotted days, mutually acceptable rescheduling will be arranged to complete the twelve (12) runs for each Smoke School.
- 7) The Contractor shall provide MDEQ with a report and summary of each Smoke School record. Said reports and summaries shall conform in content and detail as required by the Environmental Protection Agency (“EPA”) Quality Assurance procedures.
- 8) MDEQ shall schedule the Smoke Schools and notify potential applicants, limiting the total number of applicants to 300.
- 9) MDEQ shall provide sites for the classroom training.
- 10) MDEQ shall provide instructional material, copies of handouts and registration and test forms.
- 11) MDEQ shall maintain on file the Smoke School records.

2.3 Term

The term of the contract shall be for a period of four (4) years with an option to renew for one (1) year, upon written agreement of both parties, and under the same prices, terms, and conditions as in the original contract subject to approval by the Public Procurement Review Board (“PPRB”) and/or the MS Department of Finance and Administration Office of Personal Service Contract Review (“OPSCR”). The total contract term, including any renewals, shall not exceed a maximum total of five (5) years.

2.3.1 Multi-Term Contracts

Unless otherwise provided by law, a contract for services may be entered into for a period of time not to exceed four (4) years with an option to renew for one (1) year, provided the term of the contract and conditions of renewal or extension, if any, are included in the solicitation and funds are available for the first fiscal period at the time of contracting. Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds.

2.3.1.1 Requirements

- a) Four (4) years of service.
- b) A per training and certification session price shall be given and that price shall be the same throughout the contract.
- c) A multi-term contract will be canceled if funds are not appropriated or

otherwise made available to support the continuation of performance in any fiscal period succeeding the first; however, this does not affect either the State's right or the contractor's rights under any termination clause in the contract.

- d) The Procurement Officer must notify the contractor on a timely basis that the funds are or are not available for the continuation of the contract for each succeeding fiscal period.
- e) A multi-term contract may be awarded. A contract for services may be entered into for a period of time not to exceed four (4) years with an option to renew for one (1) year, provided the term of the contract and conditions of renewal or extension, if any, are included in the solicitation and funds are available for the first fiscal period at the time of contracting.

SECTION 3

3.1 Insurance

Contractor shall maintain during the period of performance of the contract the following liability insurance coverage, from an insurance carrier(s) licensed or holding a Certificate of Authority from the Mississippi Department of Insurance, and shall require its subcontractors to maintain said coverage, related to the work of the contractor and in connection with the contract.

- A. Workers' Compensation and Employer's Liability Insurance. This insurance shall protect Contractor against all claims under applicable State workers' compensation laws. Contractor shall also be protected against claims for injury, disease, or death of employees, which for any reason, may not fall within the provisions of a workers' compensation law. The liability limits shall not be less than the required statutory limits for workers' compensation and employer's liability limits in the amount of One Million and 00/100 Dollars (\$1,000,000.00). CONTRACTOR shall supply MDEQ endorsements from its carriers evidencing waiver of subrogation in favor of MDEQ.

For all of the insurance coverage required in Paragraph A, MDEQ, MDEQ's Commissioners, officers, employees, agents, and representatives, and the State of Mississippi shall be named as additional insureds or loss payee on such policies as the circumstances may require. Contractor shall provide that the insureds thereon waive subrogation against the State of Mississippi and the said political subdivisions thereof. The parties (and their respective insurers) agree that Contractor's respective policies shall provide primary coverage before any applicable policy otherwise covering MDEQ and that any insurance covering MDEQ shall be excess coverage over Contractor's coverage. The policies shall also provide for all additional insureds to be provided with a minimum 30-day written notice prior to a cancellation or modification of each respective policy.

Upon execution of the Contract, Contractor shall promptly furnish MDEQ with endorsements showing the Contractor compliance with the insurance provisions of this paragraph. While Contractor shall provide MDEQ with endorsements as set forth in this paragraph, the failure to do so, or the failure of the endorsements or insurance provided to conform to the Agreement, does not constitute waiver or estoppels as to MDEQ of their respective legal and equitable rights, including but not limited to, the right to enforce the terms of the Contract. These contractual insurance provisions are intended to be, and shall be interpreted to be, separate and independent contractual obligations from the provisions addressing the indemnity of MDEQ by Contractor.

Contractor shall comply with applicable federal, state, and local laws and regulations.

2. Availability of Funds

It is expressly understood and agreed that the obligation of the Agency to proceed under this agreement is conditioned upon the appropriation of funds by the Mississippi State Legislature and the receipt of state and/or federal funds. If the funds anticipated for the continuing fulfillment of the agreement are, at any time, not forthcoming or insufficient, either through the failure of the federal government to provide funds or of the State of Mississippi to appropriate funds or the discontinuance or material alteration of the program under which funds were provided or if funds are not otherwise available to the Agency, the Agency shall have the right upon ten (10) working days written notice to Contractor, to terminate this agreement without damage, penalty, cost or expenses to the Agency of any kind whatsoever. The effective date of termination shall be as specified in the notice of termination.

3. Acknowledgment of Amendments

Bidders shall acknowledge receipt of any amendment to the solicitation by signing and returning the amendment with the bid, by identifying the amendment number and date in the space provided for this purpose on the bid form, or by letter. 5. E-Payment

Contractor agrees to accept all payments in United States currency via the State of Mississippi's electronic payment and remittance vehicle. The agency agrees to make payment in accordance with Mississippi law on "Timely Payments for Purchases by Public Bodies," which generally provides for payment of undisputed amounts by the agency within forty-five (45) days of receipt of invoice. - b) *Contractor's Obligations.* Contractor shall incur no further obligations in connection with the terminated work and on the date set in the notice of termination Contractor will stop work to the extent specified. Contractor shall also terminate outstanding orders and subcontracts as they relate to the terminated work. Contractor shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated work. The Agency Head or designee may direct Contractor to assign Contractor's right, title, and interest under terminated orders or subcontracts to the State. Contractor must still complete the work not terminated by the notice of termination and may incur obligations as are necessary to do so.

13. Termination for Default

- a) *Default.* If Contractor refuses or fails to perform any of the provisions of this contract with such diligence as will ensure its completion within the time specified in this contract or any extension thereof, or otherwise fails to timely satisfy the contract provisions, or commits any other substantial breach of this contract, the Agency Head or designee may notify Contractor in writing of the delay or nonperformance and if not cured in ten (10) days or any longer time specified in writing by the Agency Head or designee, such officer may terminate Contractor's right to proceed with the contract or such part of the contract as to which there has been delay or a failure to properly perform. In the event of termination in whole or in part, the Agency Head or designee may procure similar supplies or services in a manner and upon terms deemed appropriate by the Agency Head or designee. Contractor shall continue performance of the contract to the extent it is not terminated and shall be liable for excess costs incurred in procuring similar goods or services.

- d) *Excuse for Nonperformance or Delayed Performance.* Except with respect to defaults of subcontractors, Contractor shall not be in default by reason of any failure in performance of this contract in accordance with its terms (including any failure by Contractor to make progress in the prosecution of the work hereunder which endangers such performance) if Contractor has notified the Agency Head or designee within 15 days after the cause of the delay and the failure arises out of causes such as: acts of God; acts of the public enemy; acts of the State and any other governmental entity in its sovereign or contractual capacity; fires; floods; epidemics; quarantine restrictions; strikes or other labor disputes; freight embargoes; or unusually severe weather. If the failure to perform is caused by the failure of a subcontractor to perform or to make progress, and if such failure arises out of causes similar to those set forth above, Contractor shall not be deemed to be in default, unless the services to be furnished by the subcontractor were reasonably obtainable from other sources in sufficient time to permit Contractor to meet the contract requirements. Upon request of Contractor, the Agency Head or designee shall ascertain the facts and extent of such failure, and, if such officer determines that any failure to perform was occasioned by any one (1) or more of the excusable causes, and that, but for the excusable cause, Contractor's progress and

performance would have met the terms of the contract, the delivery schedule shall be revised accordingly, subject to the rights of the State under the clause entitled in fixed-price contracts, "Termination for Convenience". (As used in this Paragraph of this clause, the term "subcontractor" means subcontractor at any tier).

- e) *Erroneous Termination for Default.* If, after notice of termination of Contractor's right to proceed under the provisions of this clause, it is determined for any reason that the contract was not in default under the provisions of this clause, or that the delay was excusable under the provisions of Paragraph (4) (Excuse for Nonperformance or Delayed Performance) of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination for convenience of the State, be the same as if the notice of termination had been issued pursuant to such clause.
- f) *Additional Rights and Remedies.* The rights and remedies provided in this clause are in addition to any other rights and remedies provided by law or under this contract.

14. Termination Upon Bankruptcy

This contract may be terminated in whole or in part by Agency upon written notice to Contractor, if Contractor should become the subject of bankruptcy or receivership proceedings, whether voluntary or involuntary, or upon the execution by Contractor of an assignment for the benefit of its creditors. Subcontracts shall be subject to the terms and conditions of this agreement and to any conditions of approval that the State may deem necessary. Subject to the foregoing, this agreement shall be binding upon the respective successors and assigns of the parties.

If Contractor believes that any particular work is not within the scope of the Project, is a material change, or will otherwise require more compensation to Contractor, Contractor must immediately notify MDEQ in writing of this belief. If MDEQ believes that the particular work is within the scope of the Contract as written, Contractor will be ordered to and shall continue with the work as changed and at the cost stated for the services within the Contract.

7. Claims based on a Chief Procurement Officer's Actions or Omissions

A. *Notice of Claim.* If any action or omission on the part of a Chief Procurement Officer or designee of such officer requiring performance changes within the scope of the Contract constitutes the basis for a claim by Contractor for additional compensation, damages, or an extension of time for completion, Contractor shall continue with performance of the Contract in compliance with the directions or orders of such officials, but by so doing, Contractor shall not be deemed to have prejudiced any claim for additional compensation, damages, or an extension of time for completion, provided:

(2) The notice required by subparagraph (1) of this paragraph describes, as clearly as practicable at the time, the reasons why Contractor believes that additional compensation, damages, or an extension of time may be remedies to which Contractor is entitled; and,

(3) Contractor maintains and, upon request, makes available to the Chief Procurement Officer within a reasonable time, detailed records to the extent practicable, of the claimed additional costs or basis for an extension of time in connection with such changes.

B. *Limitation of Clause.* Nothing contained herein shall excuse Contractor from compliance with any rules of law precluding state officers and Contractors from acting in collusion or bad faith in issuing or performing change orders which are clearly not within the scope of the Contract.

In this clause, the term "potential conflict" means reasonably foreseeable conflict of interest. Contractor further certifies that it has and will continue to exercise due diligence in identifying and removing or mitigating, to MDEQ's satisfaction, such conflict of interest (or apparent conflict of interest).
