OFFICE OF LAND AND WATER RESOURCES

**GENERAL PERMIT TO WITHDRAW GROUNDWATER FROM THE MISSISSIPPI RIVER
VALLEY ALLUVIAL AQUIFER FOR BENEFICIAL USE AGRICULTURE AND
ENHANCEMENT OF WILDLIFE HABITAT**

Kay Whittington, Chief of MDEQ's Office of Land and Water Resources, presented the proposed renewal of the General Permit to Withdraw Groundwater from the Mississippi River Valley Alluvial Aquifer for Beneficial Use Agriculture and Enhancement of Wildlife Habitat. Ms. Whittington provided a brief overview of the Office of Land Water Resources and of the Delta Sustainable Water Resources Task Force. Mrs. Whittington stated that she had been working with the Task Force members and other stakeholders to obtain input throughout the process of revising the General Permit. Ms. Whittington stated that those who wish to continue to use water from the Mississippi River Valley alluvial aquifer in the Mississippi Delta for agricultural, wildlife, and aquaculture would be required to obtain coverage under the General Permit when renewing their permits or previous certificates of coverage.

Ms. Whittington stated the renewed General Permit was significantly changed from the previous versions. The significant changes include: time to implement water conservation practices reduced from three years to one year; added language to explain that MDEQ can conduct compliance inspections; use of a weather station added as an option for irrigation scheduling; added specificity to the primary aquaculture practice; and descriptions added for all conservation practice options. Ms. Whittington also stated there were no significant changes to the list of conservation practices or any new requirements for any of the listed practices.

Ms. Whittington informed the Permit Board that two general comments were received during the public comment period, which were included in the packet the Permit Board members received, and that no changes had been made based on those comments.

Staff recommended that the Permit Board issue the proposed general permit (No. MRVA-003) which, if approved, will take effect in October of this year. On motion by Chris McDonald, and seconded by Les Herrington, the Permit Board voted to accept staff's recommendation and issue the permit. (Chris Hawkins abstained.)

OTHER BUSINESS

MDEQ's General Counsel, Roy Furrh, informed the Permit Board that the Ethics Commission requires each Permit Board Member to file a Statement of Economic Interest with the Mississippi Ethics Commission annually, and the statement is due the first of May and has to be filed electronically. Mr. Furrh stated that he will send an email reminder to the Permit Board Members with the Ethics Commission link in order to have the members file online. Mr. Furrh also stated that each Permit Board member will need to sign a federal EPA ethics form, which must also be executed annually, and that someone with MDEQ's Legal Division will be present at the next meeting with the forms to get them reviewed, signed, and notarized at the meeting.

Mr. Furrh also informed the Permit Board that the February Permit Board meeting will be held in person with masks and social distancing required. After considering its regular monthly agenda, the Permit Board will conduct an evidentiary hearing in the Port of Gulfport matter. Mr. Furrh stated three or four out-of-state witnesses would likely testify via zoom.

Mr. Furrh stated that he was unsure whether the March 2021 Permit Board meeting would be held telephonically or in person. He stated the April 13, 2021, Permit Board meeting will be held in person because the evidentiary hearing regarding the Permit Board's November 10, 2020, revocation of Gold Coast's State Operating Permit will be held following the regular Permit Board meeting agenda on that date.

CONFIRMATION OF THE NEXT REGULAR PERMIT BOARD MEETING

Chair Jennifer Wittmann confirmed that the next Regular Meeting will be held in person, unless otherwise informed, on February 9, 2021.

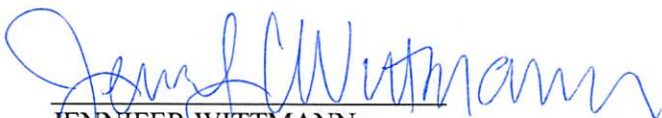

MEETING ADJOURNED

There being no further business to come before the Permit Board, Chair Jennifer Wittmann adjourned the meeting.

DATED at Jackson, Mississippi, this the 12th day of January, 2021.
