

**MINUTES OF THE MISSISSIPPI ENVIRONMENTAL QUALITY PERMIT BOARD
HELD IN JACKSON, MISSISSIPPI, ON TUESDAY, APRIL 13, 2021**

The Mississippi Environmental Quality Permit Board held a meeting in the Commission Hearing Room of the Department of Environmental Quality, located at 515 East Amite Street, on April 13, 2021. Covid-19 protocols were implemented at the in-person meeting related to mandatory social distancing and face mask requirements. Limited seating was available at the meeting in order to comply with social distancing requirements. Visitors were able to attend the meeting in person subject to available seating or were able to participate telephonically. Roy Furrh, General Counsel, called the meeting to order at 9:00am with the following members and designated representatives present:

Jennifer Wittmann, Chair for Joe Spraggins
Les Herrington, Vice Chair
Doug Mann for Dr. Sam Polles
Chris Hawkins for Kay Whittington
David Snodgrass for Jess New
Chris McDonald for Andy Gipson
David Dockery

Roy Furrh, General Counsel for MDEQ, was present as legal counsel. On motion by Chris McDonald and seconded by Doug Mann, the minutes of the March 9, 2021, meeting were approved by the Permit Board.

REPORT OF STAFF PERMIT ACTIONS/CERTIFICATIONS

Staff reported to the Permit Board that staff had acted on various permits since the March 9, 2021, Permit Board Meeting pursuant to the regulations delegating this authority to the Executive Director of the Mississippi Department of Environmental Quality and the Executive Director's delegation of this authority to the staff in accordance with those regulations. The Permit Board voted to note and record in its minutes the reports of permit actions and certifications by staff since the March 9, 2021, Permit Board Meeting. [Chris Hawkins abstained from voting on all Land and Water Resources permitting matters and David Dockery abstained from voting on all Geology permitting matters].

Krystal Gravel, Inc.	Copiah County	P99-035A	Final 70%
Krystal Gravel, Inc.	Copiah County	P17-019	Final 25%
Krystal Gravel, Inc.	Copiah County	P17-018	Final 10%
Krystal Gravel, Inc.	Copiah County	P10-028	Additional 30%

Surface Mining Permits to Transfer

TCB Construction Company, Inc. requested permit P05-025T be transferred to Deschamp Development Investments, LLC. Deschamp Development Investments, LLC has provided the proper bonding and transfer forms to MDEQ. If approved, the new permit number for Deschamp Development Investments, LLC will be P05-025T1. The staff recommended approval of the transfer request.

T.L. Wallace Construction, Inc. requested permit P99-052T be transferred to Deschamp Development Investments, LLC. Deschamp Development Investments, LLC has provided the proper bonding and transfer forms to MDEQ. If approved, the new permit number for Deschamp Development Investments, LLC will be P99-052T1. The staff recommended approval of the transfer request.

Hedges Plantation Land, LLC requested permit P19-005 be transferred to G. Rayborn Contracting, LLC. G. Rayborn Contracting, LLC has provided the proper bonding and transfer forms to MDEQ. If approved, the new permit number for G. Rayborn Contracting, LLC will be P19-005T. The staff recommended approval of the transfer request.

On motion by Doug Mann and seconded by Chris McDonald, the Permit Board voted to approve the above surface mining permit transfers. (David Dockery abstained)

OFFICE OF POLLUTION CONTROL MATTERS:**

**ENVIRONMENTAL PERMITS DIVISION
AIR II BRANCH**

**Gladstone Properties, LLC d.b.a. Grenada Cremation Service
Grenada, Grenada County, Mississippi**

Consideration of Buffer Zone Variance Request Permit No. 0960-00041

Jaricus Whitlock, Manager of MDEQ's Environmental Permit Division's Air II Branch, presented a request for a buffer zone variance in regards to the proposed issuance of a Permit to Construct Air Emissions Equipment to Gladstone Properties, LLC, which is doing business as Grenada Cremation Service.

On February 12, 2021, Grenada Cremation Service applied to the MDEQ for a permit to Construct one (1) natural gas-fired, dual-chambered human crematory incinerator equipped with a zero point five (0.5) million BTU per hour burner in the primary chamber and a one (1) million BTU per hour burner in the secondary chamber. This proposed incinerator will be located at 2113 South Commerce Street in Grenada, Mississippi.

Mr. Whitlock stated that the location for the proposed incinerator does not meet the buffer zone requirement of 150 feet from any dwelling or light commercial building not owned by the applicant as specified in Mississippi Administrative Code, Title 11, Part 2, Chapter 2, Rule 2.2.B.(14)(e). As such, Grenada Cremation Service formally requested a variance to the siting criteria on March 3, 2021, due to the proposed incinerator's proximity to two (2) adjacent properties. Specifically, the request is to individually reduce the siting criteria from the proposed incinerator's location as it relates to two (2) residential homes: For the residential home located at 2141 Carrollton Road – reduce the siting criteria from 150 feet to 138 feet; and for the residential home located at 2159 Carrollton Road – reduce the siting criteria from 150 feet to 132 feet.

As part of the formal variance request, Grenada Cremation Service submitted to the MDEQ documentation signed by an owner/representative of each adjacent property that indicated each party had been made aware of the facility's intention to operate a human crematory incinerator with the 150-foot buffer zone and had no environmental concerns. Subsequently, Grenada Cremation Service submitted land roll information to the MDEQ on March 25, 2021, that verified the ownership of each adjacent property.

On April 7, 2021, the MDEQ transmitted certified letters to the owners of the adjacent properties notifying them of MDEQ's intention to present to variance request to the Permit Board on April 13, 2021. The letters were successfully delivered on April 9, 2021. Mr. Robert Mortimer, the owner of Grenada Cremation Service, was also notified and was available telephonically for the meeting for any questions or concerns.

Upon motion by Chris McDonald and seconded by Chris Hawkins, the Permit Board voted to approve the buffer zone variance request of Grenada Cremation Service.

OFFICE OF POLLUTION CONTROL MATTERS:**

**ENVIRONMENTAL PERMITS DIVISION
MUNICIPAL BRANCH**

**Wilco Properties, Inc.
Cypress Creek Plantation
Olive Branch, Desoto County, Mississippi**

Consideration of Buffer Zone Variance Request Permit No. MS0050962

Bradley Crain, Manager of MDEQ's Environmental Permit Division's Municipal Branch, presented a request for a buffer zone variance regarding the proposed modification of NPDES Permit Number MS0050962 for Wilco Properties Inc. (Wilco), Cypress Creek Plantation. The Permit Board previously considered the matter on March 9, 2021; the Board tabled the matter after requesting that Wilco gather additional information to demonstrate the need for a buffer zone variance.

Wilco submitted the buffer zone variance request for the Permit Board's consideration due to the location of a proposed lagoon expansion on the applicant's property. Specifically, the proposed location of the treatment system does not comply with the regulatory siting criteria which requires a 150-foot buffer zone to the adjoining property lines. The proposed location of the lagoon expansion is 61.39 feet from property to the west that is owned by Mr. Artis Parker. The applicant requested a written waiver of the buffer zone requirement from Mr. Parker as allowed by state regulation; however, Mr. Parker did not grant a buffer zone waiver to the permit applicant. Therefore, the applicant is requesting a variance, as allowed by 11 Mississippi Admin. Code Part 6, R. 1.1.1.C (2), to the 150-foot buffer zone requirement by granting an approximately 60-foot buffer zone to surrounding property lines. A 10-foot buffer is the minimum allowed by regulation. The regulations provide that the Permit Board may consider requests for exception to or variances from the buffer requirements upon sufficient proof that the affected property owners within the buffer zone have had timely and sufficient notice of the proposed facility. MDEQ received a request from Wilco on March 23, 2021, for the Permit Board to reconsider the variance

request. On March 31, 2021, the Permit Board was provided with the additional information from Wilco to demonstrate the alleged need of the buffer zone request.

On the telephone conference line for the meeting were property owners (within the buffer zone), Artis and Barbara Parker along with Ronda West (their daughter) who has interest in their property. Ms. West spoke a few times during the call with her concerns and opposition to the buffer zone variance. Also, counsel for the opponents, Mr. Robbie Hayes, spoke in opposition of the requested variance on the conference line. Mr. Hayes requested and was electronically provided handouts for the matter.

Present at the meeting was Mr. Dan Williams, owner of the associated public utility company, Wilco Properties Inc., to present the request for the buffer zone variance. Mr. Nicholas Kreunen, Civil Engineer for Wilco, was also present to answer questions from the Permit Board.

General Counsel, Roy Furrh, read a portion of the applicable siting criteria variance regulation found at 11 Miss. Admin. Code Pt. 6, R. 1.1.1.C. (2) to the Permit Board members and informed the Permit Board members they would need to make a decision on the buffer zone variance request. Chris McDonald made a motion for the Permit Board members to go into closed session seconded by Doug Mann and the Permit Board voted to approve the motion. While in closed session, Doug Mann made a motion to go into executive session related to prospective litigation, Chris Hawkins seconded the motion, and the Permit Board voted to approve the motion. Doug Mann made a motion to close executive session, Chris McDonald seconded the motion, and the Permit Board voted to approve the motion. Doug Mann made another motion to return to open session, Chris Hawkins seconded the motion, and the Permit Board voted to approve the motion.

After returning to open session and after Permit Board deliberation, upon motion by Les Herrington and seconded by David Snodgrass, the Permit Board voted to grant the variance request.

OTHER BUSINESS

Roy Furrh announced that after a ten-minute recess, the Permit Board would proceed with the Gold Coast formal evidentiary hearing. Mr. Furrh indicated that telephonic participants would only be allowed to listen to the evidentiary hearing. Mr. Furrh announced that Mr. Doug Levanway would be the Hearing Officer for the Gold Coast evidentiary hearing.

Mr. Furrh reminded the Permit Board members that a rescheduled in-person special meeting would take place on April 23, 2021, at 8:00 am at 515 E. Amite St., Jackson, Mississippi, to resume and conclude the Mississippi State Port Authority Water Quality Certification evidentiary hearing which was previously recessed on February 9, 2021.

Mr. Furrh also stated that on May 11, 2021, the Permit Board would hold its regular meeting and the minutes of the April 6, 2021, Special Meeting (which addressed a Gold Coast procedural matter) along with the regular April 13, 2021, minutes would be considered for approval at the May 11, 2021, meeting.

EVIDENTIARY HEARING

The matter before the Permit Board was a formal evidentiary hearing regarding the Permit Board's revocation of a State Operating Permit (No. MSU218003) that it had previously issued to Gold Coast Commodities, Inc. (Gold Coast) for construction and operation of a wastewater treatment lagoon in Pelahatchie, Rankin County, Mississippi. Gold Coast requested the hearing so the Permit Board could reconsider its action on November 10, 2020, to revoke Gold Coast's permit.

Doug Levanway served as Hearing Officer. The Mississippi Department of Environmental Quality (MDEQ) was represented by its General Counsel Roy Furrh and Senior Attorneys Donna Hodges, Gretchen Zmitrovich, and Lisa Ouzts. Attorney Andy Taggart represented Gold Coast, Attorney Emily Ward represented Gold Coast's president Tom Douglas in his individual capacity, and attorney Rich Glaze represented Gold Coast's vice president Robert Douglas in his individual capacity.

As a preliminary matter, the Permit Board considered Gold Coast's Motion for Rescission of Revocation and three supplements to the motion. Mr. Taggart argued the motion on behalf of Gold Coast and Mr. Furrh argued against the motion on behalf of MDEQ. After considering arguments of counsel, and having asked several questions of its own, on motion by Chris McDonald and seconded by Chris

Hawkins, the Permit Board voted to deny Gold Coast's motion and supplements to the motion. Doug Mann abstained.

The Hearing Officer next considered Motions to Quash Subpoenas served on Tom Douglas and Robert Douglas. Ms. Ward argued the motion on behalf of Tom Douglas and Mr. Glaze argued the motion on behalf of Robert Douglas. Ms. Hodges argued against the motions on behalf of MDEQ. After hearing counsels' arguments, Hearing Officer Levanway ruled the Douglasses, as Gold Coast's president and vice president had information relevant to the matter before the Permit Board and that there was no basis to prohibit non-repetitive testimony.

Upon resolution of the motions, the evidentiary hearing commenced. Mr. Furrh and Mr. Taggart each made opening statements on behalf of their respective clients. MDEQ pre-filed direct testimony through the affidavits of Danny Beasley, Laine Stubbs, Michael A. Word, Erica Scarbrough, and Krystal Rudolph and rebuttal testimony through the affidavits of Danny Beasley, Erica Scarbrough, and Krystal Rudolph. MDEQ tendered these witnesses for cross-examination, questioning by the Permit Board, and redirect. Mr. Taggart did not cross-examine any of MDEQ's witnesses. MDEQ also called Tom Douglas and Robert Douglas as adverse witnesses. When questioned on cross examination by MDEQ attorney Donna Hodges, Tom Douglas and Robert Douglas each invoked their Fifth Amendment right against self-incrimination in response to many of her questions. Gold Coast pre-filed direct testimony of Harry Wilson, Todd French, Ph.D, Buck Allman, Mike Foster, Tommy Douglas, and Sam Hardin and rebuttal testimony of Harry Wilson, Mike Foster, Tommy Douglas, and Sam Hardin. Gold Coast tendered these witnesses for cross-examination, questioning by the Permit Board, and redirect. Mr. Hardin, who was unable to be physically present at the hearing, testified via Zoom.

After hearing closing statements by Mr. Taggart and Ms. Hodges, the Hearing Officer closed the hearing for Permit Board deliberation. David Snodgrass moved to go into closed session to discuss whether to go into executive session. Chris McDonald seconded the motion and the Permit Board voted to go into closed session. Chair Jennifer Wittmann came back to state that the Permit Board, on motion by Chris McDonald and seconded by Les Herrington, voted to go into executive session to discuss potential litigation. On motion by Chris McDonald and seconded by Chris Hawkins, the Permit Board voted to end closed session and return to open session.

After the return to open session and deliberation, David Dockery moved to affirm the revocation of Gold Coast's current permit; however, Mr. Dockery stated that Gold Coast is invited to a path forward through the submission of an application for a new permit to operate the lagoon that would incorporate provisions from the Commission order. Les Herrington seconded the motion and the Permit Board voted in favor of the motion. (Doug Mann abstained)

MEETING ADJOURNED

There being no further business to come before the Permit Board, Chair Jennifer Wittmann adjourned the meeting.

DATED at Jackson, Mississippi, this the 13th day of April, 2021.

CHRISTOPHER WELLS
EXECUTIVE DIRECTOR

JENNIFER WITTMANN
PERMIT BOARD CHAIR
