

MDEQ JOB ANNOUNCEMENT

The Human Resources Office is accepting applications for the following job vacancy in the Office of Pollution Control.

Position: MDEQ Environmental Scientist I
PIN: 17
Starting Salary: \$29,516.74
Location: Field Services Division – Central Regional Office (Pearl, MS)

Minimum Qualifications:

A Bachelor's Degree from an accredited four-year college or university in a field of atmospheric sciences, biological sciences, chemical sciences, engineering, environmental science, environmental technology, geography, geological sciences, hydrology, or mathematical sciences.

Special Requirement:

Must possess a valid Driver's License from Mississippi or a contiguous state, as verified by the hiring agency.

Primary Functions:

- Sampling and inspecting Industrial, Municipal and private environmental discharges and facilities
- Investigating environmental complaints on water related facilities and investigating fish kills
- Ambient water sampling of state waterways
- Conduct multi-media, pre-permitting site inspections and serve as back up to other duties at the CRO
- Complete other duties as assigned by CRO supervisor or assistant supervisor
