

MDEQ JOB ANNOUNCEMENT

The Human Resources Office is accepting applications for the following job vacancy in the Office of Pollution Control

Position: MDEQ Environmental Engineer in Training

PIN: 4160

Starting Salary: \$42,827.37

Location: GARD – Assessment & Remediation II Branch

Minimum Qualifications:

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering;

OR

A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering;

AND

A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

Special Requirement:

Incumbent must possess a valid Driver's License from Mississippi or a contiguous state.

Primary Functions:

1. Oversee the assessment and remediation of contaminated sites in MS.
2. Review, comment, and draft letters on reports, plans and specifications submitted to MDEQ for such.
3. Ensure that work done on assigned projects is consistent with state policies, rules, regulations, and laws.
4. Work closely with MDA, EPA, economic developers and others in an effort to redevelop sites
