

MDEQ JOB ANNOUNCEMENT

The Human Resources Office is accepting applications for the following job vacancy in the Office of Pollution Control

Position: Environmental Engineer in Training
PIN: 5537
Starting Salary: \$43,509.31
Location: Environmental Permit Division – Air II Branch

Minimum Qualifications:

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering;

OR

A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering;

AND

A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

Special Requirement:

Incumbent must possess a valid Driver's License from Mississippi or a contiguous state.

Primary Functions:

Write air-related permits for the metal and metal fabricator facilities, timber and wood product manufacturing facilities, construction and building material facilities, solid waste facilities, mining operations, government entities and commercial facilities (including - but not limited to - hospitals, military bases, and correctional facilities).

Provides information and assistance to government and industrial employees, developers, consultants and the public concerning any air permitting issues and questions.

Performs special duties as directed.
