

# Public Availability Session for Turkey Creek Restoration

---

Monday, August 22nd  
5pm - 7pm  
(Come and go)

Isaiah Fredericks Community Center  
3312 Martin Luther King Jr. Blvd.,  
Gulfport, MS 39501

The purpose of the Public Availability Session is to share and exchange project information with concerned citizens. Attendees will gain knowledge and information by visiting tables. Each table will make available printed information and provide opportunities for one-on-one discussion. Session participants include MDEQ, NFWF and USACE.
