is proposing to:

- _____ construct and operate a new hot mix asphalt facility.
- _____ modify the existing hot mix asphalt facility resulting in an increase to the potential hourly asphalt production rate or rock/RAP crushing rate.
- _____ expand the footprint of an existing hot mix asphalt facility.
- _____ relocate a hot mix asphalt plant or rock/RAP crusher to the existing permitted site.

This letter is to provide you notification of the proposed project and to provide you an opportunity to comment regarding environmental concerns about the project. The Mississippi Department of Environmental Quality (MDEQ) only has legal authority to consider environmental issues specified in the applicable laws and regulations. MDEQ does not have legal authority to consider matters outside of its jurisdiction; thus, comments regarding zoning, noise or traffic impacts, or other non-environmental related comments should be directed to the local zoning and planning authorities.

If you do not have environmental comments regarding the proposed project, then no response is necessary, and the permitting process will continue. If you have environmental-related comments regarding the proposed project, please notify MDEQ in writing within 30 days from the postmarked date of this notification or by the end of the 30-day public comment period, whichever is later. The online public notice of the project can be found at the following link: <https://opcgis.deq.state.ms.us/ensearchonline/recently-received-general-permit-noi.aspx>. When making written comments, please reference the Company Name and location using the information above and provide your contact phone number and address. If you would like to discuss concerns that you have regarding this project, please feel free to contact MDEQ at (601) 961-5171. Comments are to be mailed to the following address:
