## *Access Authorization for Site Assessment*

1. I, \_\_\_\_\_, am the owner of the Property described in Paragraph 5, below. As the Property owner, I have the authority to sign this authorization.
2. I grant authorization to the Mississippi Department of Environmental Quality (MDEQ), its officers, employees, contractors, and other authorized representatives to enter the Property described below. This authorization allows MDEQ, its officers, employees, contractors, and other authorized representatives to have access to the Property to conduct site assessment activities. These activities may include, but are not limited to the following:
  - a. conducting activities related to the Phase I and/or Phase II Assessment of surface and/or subsurface contamination, such as inspecting interior and exterior spaces on the property and taking soil samples or groundwater samples through the use of temporary and/or permanent monitoring wells as may be necessary;
  - b. conducting activities related to vapor intrusion such as but not limited to soil-vapor testing, sub-slab sampling, and indoor air sampling;
  - c. conducting access activities such as but not limited to clearing of vegetation and debris; and
  - d. transporting equipment onto and about the Property as necessary to accomplish the above activities.
3. The consent for access and use granted herein will commence upon the date of execution below and will continue until MDEQ completes its assessment activities.
4. I understand that should recognized environmental conditions be identified on the Property that pose a risk to human health and the environment, I could be held responsible for further assessment and/or remediation as required by MDEQ.
5. The land affected by the access authorization is located in the State of Mississippi, \_\_\_\_\_ County, and is described as follows:
