RE: COMMUNITY ENGAGEMENT PROGRESS REPORT MAY 2023 THROUGH JULY 2023, KUHLMAN ELECTRIC CORPORATION CLEAN UP ACTIONS, CRYSTAL SPRINGS, MISSISSIPPI

Dear Ms. Johnson:

This report provides a summary of community engagement actions for the Kuhlman Electric Corporation (KEC) environmental clean-up in Crystal Springs, Mississippi, as required by the Community Engagement Plan approved by the Mississippi Department of Environmental Quality (MDEQ) on July 17, 2012. This report will cover the period from May 2023 through and including July 2023. Future reports will continue to be provided quarterly.

KEC has continued to be actively engaged with the community. During this quarter, KEC with its consultants Environmental Management Services (EMS) and Caffee, Caffee and Associates (CCA) has met with MDEQ and updated and notified Crystal Springs residents of remedial activities through one-on-one dialogue and quarterly newsletters.

The following Corrective Action Plan milestone activities were initiated or continued during this reporting period:

- Soil Vapor Extraction System operation, maintenance and monitoring (ongoing)
- Capacity Plan Implementation –
 - Operation of new City wells CSW-WA9, CSW-WA10, and CSW-WA11 continued
 - City wells CSW-WA1 and CSW-WA2 remain out of service
 - Operation of new City of Crystal Springs municipal water supply pipeline
 - Evaluation of potential additional supply well needs and locations (ongoing)
- City Well Sampling

Progress in implementing the Community Engagement Plan as it relates to these specific milestones, above, is detailed in Table 1 (attached). There were no required activities that were not completed.

Cassandra Johnson

July 28, 2023

Page 2

Community relations are conducted on an as-needed basis, designed to meet the requests and needs of the public. The current status is as follows:

Points of Contact

The local contact is Craig Flagge, Health Safety Environment Manager for the Hitachi Energy facility in Crystal Springs, MS.

Community relations contractor is Brenda Caffee of CCA (continued).

Fact Sheets

Fact sheets are available on an ongoing basis, as requested from the public. Fact sheets available are:

- Soil Vapor Extraction
- Air Sparging
- Monitored Natural Attenuation
- Groundwater Corrective Action Plan

Media Releases and Briefings

There were no media releases or briefings.

Public Notices

There were no Public Notices required or completed.

Information Repository

Final reports are submitted to MDEQ for storage in the information repository, maintained by MDEQ online at <https://www.deq.state.ms.us>. Final reports are also maintained at the Crystal Springs Public Library Information Desk, 200 South Jackson Street, Crystal Springs, MS. Newsletters will be provided for public access through the Crystal Springs City Hall, as well.

Submittal of the Semi-Annual Groundwater Assessment Report was made to MDEQ in July 2023 and will be made available in the Crystal Springs Public Library.

Local Briefings and Telephone Briefings

CCA, on behalf of KEC, continues to hold individual meetings as requested, as well as telephone conversations each quarter. CCA has maintained communication and a presence in the community each month to reassure residents of KEC's community engagement efforts.

Representatives routinely hold one-on-one talks with businesses and churches in Crystal Springs while hand delivering copies of the KEC newsletter (see Direct Mail below) during normal quarters.

Cassandra Johnson

July 28, 2023

Page 3

Public Meeting, Open Houses and Small Group Meetings

CCA has continually offered updates during the reporting period, as requested, not including those who received newsletters (see Direct Mail below). During this period, CCA participated in the annual Crystal Springs Tomato Festival and answered questions from the public at a dedicated booth.

Direct Mail

KEC continues to distribute copies of the quarterly newsletter, the Kuhlman Cleanup News. The most recent version was issued in July 2023. Over 1600 newsletters will be made available at City Hall and open businesses. Businesses and churches receive copies of the newsletter to ensure a broad distribution and that interested individuals have multiple locations to obtain a copy. The July issue of the newsletter provides updates on the soil vapor extraction system and water quality monitoring. A copy is attached.

Comment Period and Comment Responses

MDEQ has not notified KEC of any other public notice/comment periods required at this time.

Upcoming Activities

KEC will provide the next quarterly update in October 2023. Please do not hesitate to contact me with any questions you might have at 601-892-6567.

Sincerely,

Jonathan Mikiska
HSE Manager, Hitachi Energy

Contingencies/In Situ Treatment – Groundwater trends will be reexamined and KEC will determine if the treatment technologies are meeting the CAP objectives.	To Be Determined	<ul style="list-style-type: none"> - Will be summarized on Groundwater Monitoring reports. - Final Monitoring Reports will be placed in a public repository at the Crystal Springs Library and the MDEQ website. - Updates with individuals, small groups as requested. - Publish in quarterly newsletter to interested parties. - Attend regularly scheduled City meeting on an annual basis and provide updates. 	<ul style="list-style-type: none"> - Groundwater trends indicate progress toward CAP objectives. 	<ul style="list-style-type: none"> - Data evaluation will continue in 2023. 	<ul style="list-style-type: none"> - Not yet implemented due to ongoing effectiveness of SVE system and water supply replacement program.
No Further Remedial Action Request (Monitoring Only)	To Be Determined	<ul style="list-style-type: none"> - Formal request will be submitted to MDEQ when data supports it. - Public notice. - Publish in quarterly newsletter to interested parties. - Attend regularly scheduled City meeting on an annual basis and provide updates. 	<ul style="list-style-type: none"> - This milestone will be completed pending the results of planned remedial actions. 	<ul style="list-style-type: none"> - None at this time. 	<ul style="list-style-type: none"> - None at this time.

KUHLMAN CLEANUP NEWS

JULY 2023

Newsletter on Kuhlman Environmental Cleanup in Crystal Springs

CURRENT PROGRESS AND UPCOMING PROJECTS

Soil Vapor Extraction Progress

The SVE system is operating as designed and routine maintenance is being performed monthly. Progress reports are submitted to MDEQ for review on a semi-annual basis.

QUESTIONS

OR

COMMENTS?

If you have any questions or concerns, we want to hear them!

Please submit all questions or comments to Brenda Bell Caffee, Caffee, Caffee and Associates Public Health Foundation at 601-336-7212.

GROUNDWATER MONITORING AND SAMPLING

Regular sampling will continue to be conducted at various locations in the City and at the treatment plant. Results of samples collected and analyzed from the City-owned wells are nearly completed and will be submitted to both MDEQ and the City of Crystal Springs.

2023 ANNUAL TOMATO FESTIVAL

Kuhlman Electric Corporation participated in the annual Tomato Festival with an informational table. It is through these endeavors that we are able to keep the residents of Crystal Springs abreast of our remedial activities. We applaud all the community residents that participated in the 5K run. Job well done!

QUOTE FROM MAYOR SALLY GARLAND

"As the official opening of Lake Chautauqua nears, I am filled with gratitude for the dedicated, generosity of the community. Your support has been invaluable in making the renovation a resounding success. The beauty of Crystal Springs will undoubtedly be worth the wait. So let me extend my heartfelt gratitude to all those who are currently using the lake, those using its facilities for family gatherings, and to all those who have been involved in making this dream a reality. We appreciate your support."

FACT SHEETS AVAILABLE

We understand that the terms sometimes used in the newsletters and reports can be a little confusing. For this reason, fact sheets are always available, upon request, to describe the processes and procedures being used. Any of these fact sheets can be requested by contacting Caffee, Caffee and Associates.

UPCOMING EVENTS

- Continued operation of the full-scale Soil Vapor Extraction system
- Continued monitoring of existing public supply wells

PUBLIC DOCUMENTS REPOSITORY

Select documents have been made available at your local Crystal Springs Library for review or you can visit <http://www.mdeq.state.ms.us/>
