

# MDEQ JOB ANNOUNCEMENT

**Position:** Environmental Engineer in Training

**PIN:** 4128

**Starting Salary:** \$45,249.68

**Location:** Permitting, Certification, & Compliance Division

## **Minimum Qualifications:**

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering;

**OR**

A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering;

**AND**

A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

## **Special Requirement:**

Incumbent must possess a valid Driver's License from Mississippi or a contiguous state

## **Primary Functions:**

- Review, analyze, and prepare statewide groundwater and surface water withdrawal applications and permits related to beneficial use activities including public drinking water supplies, agriculture, industry, and energy sector permit requests.
- Act as surface water permitting lead.
- Work with Compliance and Enforcement Branch to resolve violations associated with permit terms and conditions.
- Collect, review, and input hydrologic investigation data of groundwater and surface water resources of Mississippi.
- Analyze and interpret well reports and geophysical logs.
- Perform fieldwork across MDEQ office/division lines in support of Conjunctive Water Management teams and initiatives. Duties may include monitoring, sampling, and inspection during field investigations.

- Perform other duties as assigned by Branch/Division Chief and Office Director.
