

# DIVISION OF LEAKING UNDERGROUND STORAGE TANK (UST) SITES

## INTRODUCTION:

Staff assigned to oversee releases from UST systems are listed below:

<u>UST Technical I</u> Supervisor	<a href="#">Charka Fair</a>	(601) 961-5602
Project Manager	<a href="#">Brittany Jamison</a>	(601) 961-5063
Project Manager	<a href="#">Darryl McClain</a>	(601) 961-5070
<u>UST Technical II</u> Supervisor		
Project Manager	<a href="#">John Traweek</a>	(601) 961-5603
Project Manager	<a href="#">Brandon St. Clair</a>	(601) 961-4252
Project Manager	<a href="#">Tyler Rhodes</a>	(601) 961-5188
GARD/UST Team Lead	<a href="#">Heather Pitts</a>	(601) 961-5079

## RELEASE REPORT:

New releases should be reported to Brittany Jamison. Once the release has been entered into the database, the leaking site will then be transferred to a project manager.

## DIVISION OF SITES:

Leaking UST sites are now assigned to the next project manager in the rotation, not by tank owner, as in the past. For information on a past or current leaking UST site, refer to the [UST Online Search](#).

For specific information or a file review, contact the [MDEQ Public Records Office](#) at (601) 961-5049.
