

JOB VACANCY

WE'RE HIRING

Title: Environmental Engineer in Training (4126)
Location: Environmental Permits Division (EPD)-Air II Branch
Job Type: Full-Time
Salary Range: \$51,210.24- \$74,237.76 Annually
Job Closing: 6/30/2025

Qualifications:

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; OR A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; AND A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

Special Requirement:

Incumbent must possess a valid Driver's License from Mississippi or a contiguous state.

About the Position:

Write air-related permits for the metal and metal fabricators, timber and wood product manufacturing, construction and building material facilities, mining operations, government entities and commercial facilities across the state; provides information and assistance to government and industrial employees, developers, consultants and the public concerning any air permitting issues and questions; performs special duties as directed.

How to Apply:

A resume or application can be sent no later than 6/30/2025 to Anna Godfrey at P.O. Box 2261 39225, or by email to AGodfrey@mdeq.ms.gov.
