**THE PERMIT BOARD CONSIDERED THE FOLLOWING
OFFICE OF GEOLOGY MATTERS:**

Mining and Reclamation Division

Surface Mining Permit Bond Releases

After presentation by Guillermo Gibson with the Mining and Reclamation Division, Office of Geology, MDEQ, receiving no public comment from the audience and on motion by David Snodgrass and second by Brian Perry, the Permit Board voted to approve the following surface mining permit transfers (David Dockery abstained):

Gulf Pride Landfill, LLC, P98-063AT, transfer to Waste Pro of Mississippi, in Jackson County. Waste Pro of Mississippi has provided the proper bonding and transfer forms. The new permit will be P98-063AT1.

Office of Pollution Control

Waste Division

Kemper County Landfill

Reissuance without Modification: SW0350010428

Trent Jones, Chief of the Waste Division, presented the matter for the Permit Board's consideration.

Mr. Jones stated this is a solid waste management permit renewal application and draft permit for the existing Kemper County Landfill owned and operated by Kemper County Landfill Company, LLC (a subsidiary of Waste Pro of Mississippi, Inc.)

The existing Kemper County Landfill is located at 21211 Highway 16 East near DeKalb, Mississippi in Kemper County. The site was originally authorized as municipal solid waste landfill in April 1994 and was expanded to its current size in April 2009.

Kemper County Landfill Company, LLC, has submitted a solid waste permit application for the proposed renewal of Solid Waste Permit No. SW0350010428. No significant modifications to the landfill operations or approved landfill design are proposed with this application.

The currently approved landfill disposal area consists of approximately 22.3 acres. The landfill would continue to accept and dispose of various nonhazardous solid waste from residential, commercial, industrial, institutional and other approved sources with the approved service area recognized in the Kemper County Solid Waste Management Plan. The landfill area will continue to be constructed and developed in a manner consistent with the Mississippi Nonhazardous Solid Waste Management Regulations.

The MDEQ Waste Division released a public notice soliciting public comments on the proposed draft solid waste permit April 23, 2025. The notice was published in two local newspapers and established a 30-day public comment period from April 23, 2025, through May 29, 2025, and also provided notice of a public hearing to be held on May 29, 2025. Additionally, the MDEQ Office of Community Engagement mailed copies of the notice to 23 individuals and/or businesses within a 2-mile radius of the landfill location. Copies of the public notice were also mailed to the Kemper County Board of Supervisors and the City of DeKalb. No public comments were received during the public comment period or during the public hearing.

Staff reviewed and evaluated the solid waste permit application and the supporting documents and other information regarding the proposed landfill permit renewal. Based on that review, staff believe the permit application that has been provided to MDEQ is complete. Staff also believe that with the constraints, limitations and provisions of the proposed permit, the landfill can continue to be operated in a manner consistent with the applicable state and federal laws and regulations that are within our jurisdiction.

There were no questions or comments from the audience or the permit board. On motion by David Snodgrass and second by Lester Herrington the permit board voted to renew the permit.

OTHER BUSINESS

Anderson Thomas, Senior Attorney for MDEQ, confirmed there was no other business for the permit board at this time.

CONFIRMATION OF THE NEXT REGULAR PERMIT BOARD MEETING

Chair Chris Hawkins confirmed the next regular meeting of the Permit Board was scheduled for Tuesday, August 12, 2025.

MEETING ADJOURNED

On motion by Less Herrington and second by David Dockery, the Permit Board voted to adjourn the meeting.

There being no further business to come before the Permit Board, Chair Chris Hawkins adjourned the meeting.

DATED at Jackson, Mississippi, this the 8th day of July 2025.
