

# JOB VACANCY

## WE'RE HIRING

**Title:** Environmental Engineer in Training (PIN 4182)  
**Location:** OPC's Waste Division- Solid Waste Compliance/Enforcement Branch  
**Job Type:** Full-Time  
**Salary Range:** \$51,210.24 - \$74,237.76 Annually

### Qualifications:

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; OR A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; AND A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

### About the Position:

To conduct inspections and determine status of compliance at assigned solid waste management facilities in the State of Mississippi; to initiate and manage enforcement actions, as necessary, for violations and compliance issues at solid waste management facilities; to review and take appropriate actions on compliance assurance reports from solid waste facilities including groundwater monitoring reports, construction quality assurance reports, financial assurance documents, & etc.; to manage and resolve public complaints involving solid waste management issues.
