

JOB VACANCY

WE'RE HIRING

Title: Environmental Engineer in Training (PIN 4041)

Location: OLWR's Permitting, Certification & Compliance Division

Job Type: Full-Time

Salary Range: \$51,210.24 - \$74,237.76 Annually

Job Closing: 6/30/2026

Qualifications:

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; OR A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; AND A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

About the Position:

Performs compliance and enforcement actions statewide to determine if permit special terms and conditions are being met for industrial, agricultural, and public supply withdrawals of surface water and groundwater; applies engineering principles and practices to ensure compliance with state laws and regulations so that the water resources of the State are properly managed and maintained; assists with the licensing of water well drillers and compliance actions associated with the MS Water Well Drillers Licensing Program; performs data entry, queries, scanning, reporting, and presentations as needed.

How to Apply:

A resume or application can be sent to Anna Godfrey at P.O. Box 2261 Jackson, MS 39225, or by email to AGodfrey@mdeq.ms.gov.
