

RESTORE ACT Direct Component Multiyear Implementation Plan Narrative

Department of the Treasury

OMB Approval
No. 1505-0250

Directions: Use this form for the Initial Multiyear Implementation Plan and any subsequent amendments to an accepted Multiyear Implementation Plan. For amendments, include only new and/or materially modified activities.

Multiyear Implementation Plan Version (Initial or Amendment Number):	Amendment #9
--	--------------

Eligible Entity Name:	Mississippi Department of Environmental Quality
Name and Contact Information of the Person to be contacted (POC) on matters concerning this Multiyear Implementation Plan:	
POC Name:	Chris Wells
POC Title:	Executive Director
POC Email:	cwells@mdeq.ms.gov
POC Phone:	601-961-5545

NARRATIVE DESCRIPTION:
<p>1. Please provide the following for EACH proposed activity (i.e. project or program) listed in the matrix:</p> <ul style="list-style-type: none"> -Description of the proposed activity (i.e. project or program); -If the activity includes third-party funding, describe the amount and current status of funding (e.g., for another grant, whether the funds have been requested or awarded; if requested, where they are in the approval process) from other sources and provide a description of the specific portion of the project to be funded by the RESTORE Act Direct Component; -Need (i.e., What is the problem this activity seeks to address, or the anticipated benefit to the community?); -Purpose and objective(s) (i.e., How will the proposed activity address the need? What are the desired outcomes?); -Anticipated milestones (i.e. What are key phases and milestones by which the entity will monitor progress towards completion?); -Milestones for each activity; and -Criteria applicant will use to evaluate the success of each activity (project or program), (i.e., How will the entity determine that the activity achieved its objectives and solved or ameliorated the problem the activity (project or program) sought to address or provided the anticipated benefits? Note that this does not need to be at the level of proposed performance metrics, which will be negotiated with Treasury at the time of application for an award.)

NARRATIVE DESCRIPTION:

Please also provide **either** a) an individual map of each and every proposed activity listed on the matrix, clearly showing the location of the activity or b) a single map showing all proposed activities listed on the matrix. Note that all proposed activities must be carried out in the Gulf Coast Region, as defined by 31 C.F.R. 34.2 and pursuant to 31 CFR 34.201, except activities designed for the promotion of tourism in the Gulf Coast Region, including promotion of recreational fishing; the promotion of the consumption of seafood harvested from the Gulf Coast Region; and planning assistance.

A map showing the location of each activity is attached as Exhibit A. This ninth amendment to Mississippi's Multiyear Implementation Plan (MIP) adds one new project (Activity 49) and modifies six projects previously accepted on the Initial MIP and subsequent amendments (Activities 5, 11, 28, 29, 36, and 42), which are only modified to the extent described below. Projects may start earlier or later than the proposed start dates depending on the availability of funds and readiness of the project.

Activity #5 Jackson County Corridor Connector Road - Phase I (Modified)

This Project was accepted under Mississippi's Initial MIP and subsequently modified under MIP Amendment #3. Project activities are complete, and the grant award has been closed.

Project Modification: Amendment #9 modifies the project budget to reflect the total funds expended of \$13,019,087.29. The grant is closed. The accepted Initial MIP and MIP Amendment #3 can be found at the following link:

- [Initial MIP](#)
- [MIP Amendment 3](#)

Amount and Current Status of Funding from Other Sources: This project was accepted under Mississippi's Initial MIP and subsequently modified under MIP Amendment #3. Project activities are complete, and the grant award has been closed.

Accepted Program Cost (MIP Amendment #3): \$15,000,000

- Funding Change: \$849,636.47 increase
 - RESTORE Direct Component Funding: \$1,980,912.71 decrease
 - Third-Party Funding: \$2,830,549.18 increase
- Total RESTORE Direct Component Funding: \$13,019,087.29
- Total Third-Party Funding: \$2,830,549.18
- Total Program Cost: \$15,849,636.47

Activity #11: Planning Assistance – MIP Amendment and Application Development (Modified)

This project was accepted under Mississippi's Initial MIP to provide planning assistance to support the Mississippi Department of Environmental Quality (MDEQ) in the development of multiple MIP amendments. MDEQ has received a planning assistance award from the U.S. Department of the Treasury (Treasury) for this project. The proposed project modification includes an increase in funding for this project to support MDEQ in the development of future MIP amendments and applications. There is no modification to the Project Description, Need, Purpose, Objective, Location, Milestones, or Success Criteria as outlined and accepted in MIP Amendment #8.

Project Modification: This project budget is being modified to increase the Direct Component funding by \$600,000. This increase in funding is needed to support MDEQ's development of future MIP amendments and other activities under this project's scope of work described in the Initial MIP and MIP Amendments #1-8, which is

NARRATIVE DESCRIPTION:

consistent with the Project Description, Need, Purpose, Objective, Location, Milestones, and Success Criteria previously accepted by Treasury. The accepted MIP Amendments can be found at the following links:

- [Initial MIP](#)
- [MIP Amendment 1](#)
- [MIP Amendment 2](#)
- [MIP Amendment 3](#)
- [MIP Amendment 4](#)
- [MIP Amendment 5](#)
- [MIP Amendment 6](#)
- [MIP Amendment 7](#)
- [MIP Amendment 8](#)

Amount and Current Status of Funding From Other Sources: Direct Component funds will be used to provide planning assistance for the identification and evaluation of projects, programs, and activities and the development of MIP amendments, as needed. Direct Component funds will also be used for activities associated with grant application development for projects on the accepted MIP, project oversight and management activities, and the development, coordination, and execution grant awards between MDEQ and Treasury. No other funding sources are anticipated at this time.

Accepted Program Cost (MIP Amendment #8): \$4,500,000

- Funding Change: \$600,000 increase
- Total RESTORE Direct Component Funding: \$5,100,000
- Total Estimated Program Cost: \$5,100,000

How the Activity is Eligible for Funding and Meets All Requirements: This project is located in the Gulf Coast Region as defined by 31 C.F.R. §34.2, as each severable part of the activity is primarily designed to restore or protect that geographic area. This project qualifies as an eligible activity for Direct Component funding through 31 C.F.R. §34.201(j) - planning assistance and through 33 U.S.C. §1321(t)(1)(B)(i)(VIII) of the RESTORE Act. This activity will be implemented by the Mississippi Department of Environmental Quality and will comply with the definition of planning assistance in 31 C.F.R. §34.2.

Activity #28: Buccaneer State Park Improvements (Modified)

This Project was accepted under Mississippi's MIP Amendment #4. MDEQ has received a grant award from Treasury for this project, and MDEQ has executed a sub-award agreement with the Mississippi Department of Wildlife, Fisheries, and Parks for implementation. There is no modification to the Project Description, Need, Purpose, Objective, Location, Milestones or Success Criteria as outlined and accepted in Mississippi's MIP Amendment #4.

Project Modification: The project budget is being modified to increase the Direct Component funding by \$1,100,000 to support implementation of infrastructure improvements consistent with the Project Description, Need, Purpose, Objective, Location, Milestones, and Success Criteria previously accepted by Treasury. The accepted MIP Amendment #4 can be found at the following link:

- [MIP Amendment 4](#)

Amount and Current Status of Funding from Other Sources: Direct Component funds will be used to support the planning and construction of infrastructure improvements. Direct Component funds will also be used for project oversight and management activities; the development, coordination, and execution of the grant award between

NARRATIVE DESCRIPTION:

MDEQ and Treasury; and the development, coordination, and execution of the sub-award between MDEQ and the subrecipient.

Accepted Program Cost (MIP Amendment #4): \$1,100,000

- Funding Change: \$1,100,000 increase
- Total RESTORE Direct Component Funding: \$2,200,000
- Total Estimated Program Cost: \$2,200,000

How the Activity is Eligible for Funding and Meets All Requirements: This proposed project is located in the Gulf Coast Region as defined by 31 C.F.R. §34.2. This project will support improvements to Buccaneer State Park; this project qualifies as an eligible activity for Direct Component funding under 31 C.F.R. §34.201(e) – improvements to or on state parks located in coastal areas affected by the Deepwater Horizon oil spill, and 33 U.S.C. §1321 (t)(1)(B)(i)(V) of the RESTORE Act. This activity will be implemented by the Mississippi Department of Wildlife Fisheries and Parks.

Activity #29: Biloxi Point Cadet Marina (Modified)

This Project was accepted under Mississippi’s MIP Amendment #4 and subsequently modified under MIP Amendment #7. MDEQ has received a grant award from Treasury for this project, and MDEQ has executed a sub-award agreement with the City of Biloxi for implementation. There is no modification to the Project Description, Need, Purpose, Objective, Location, Milestones, or Success Criteria as outlined and accepted in Mississippi’s MIP Amendment #7.

Project Modification: The project budget is being modified to increase the Direct Component funding by \$7,150,000 and third-party funding by \$2,000,000 to support implementation of additional infrastructure improvements consistent with the Project Description, Need, Purpose, Objective, Location, Milestones, and Success Criteria previously accepted by Treasury. The accepted MIP Amendments can be found at the following links:

- [MIP Amendment 4](#)
- [MIP Amendment 7](#)

Amount and Current Status of Funding from Other Sources: Direct Component funds will be used to support implementation/construction of Point Cadet Marina infrastructure upgrades, dredging, and activities such as planning, engineering and design, and permitting. Direct Component funds will also be used for project oversight and management activities and the development, coordination, and execution of the grant award between MDEQ and Treasury and sub-award between MDEQ and the subrecipient. The City of Biloxi anticipates contributing \$7,534,840.50 in third-party funds for the project.

Accepted Program Cost (MIP Amendment #7): \$14,334,840.50

- Funding Change: \$9,150,000 increase
 - RESTORE Direct Component Funding: \$7,150,000 increase
 - Third-Party Funding: \$2,000,000 increase
- Total RESTORE Direct Component Funding: \$15,950,000
- Total Third-Party Funding: \$7,534,840.50
- Total Estimated Program Cost: \$23,484,840.50

NARRATIVE DESCRIPTION:

How the Activity is Eligible for Funding and Meets All Requirements: This project is located in the Gulf Coast Region as defined by 31 C.F.R. §34.2. This project will support infrastructure benefitting the economy of the Gulf Coast Region by supporting upgrades to the City of Biloxi's Point Cadet Marina to enhance tourism and economic activity in East Biloxi; this project qualifies as an eligible activity for Direct Component funding under 31 C.F.R. §34.201(f) - infrastructure benefitting the economy or ecological resources, and 33 U.S.C. §1321 (t)(1)(B)(i)(VI) of the RESTORE Act. This activity will be implemented by the City of Biloxi and will comply with the definition of infrastructure in 31 C.F.R. §34.2.

Activity #36: Gulfport-Biloxi Airport Site Mitigation and Improvements (Modified)

This project was accepted under Mississippi's MIP Amendment #5 and subsequently modified under MIP Amendments #6 and #7. MDEQ has received a grant award from Treasury for this project, and MDEQ has executed a sub-award agreement with the Gulfport-Biloxi Regional Airport Authority for implementation. There is no modification to the Need, Purpose, Objective, Location, Milestones or Success Criteria as outlined and accepted in MIP Amendment #7.

Project Modification: The project description is being modified to include construction activities related to the secondary runway improvements at the Gulfport-Biloxi International Airport (GBIA). Additional activities necessary to complete this proposed project modification may include, but are not limited to, construction site preparation and construction. The project budget is being modified to increase the Direct Component funding by \$3,850,000 and third-party funding by \$13,500,000. Project activities are consistent with the Need, Purpose, Objective, Location, Milestones, and Success Criteria previously accepted by Treasury. The accepted MIP Amendments can be found at the following links:

- [MIP Amendment 5](#)
- [MIP Amendment 6](#)
- [MIP Amendment 7](#)

Amount and Current Status of Funding From Other Sources: Direct Component funds will be used in support of permitting, engineering, design, site preparation, and construction for improvements at Gulfport-Biloxi International Airport. Direct Component funds will also be used for project oversight and management activities; the development, coordination, and execution of the grant award between MDEQ and Treasury; and the development, coordination, and execution of the sub-award between MDEQ and the subrecipient. Gulfport-Biloxi International Airport anticipates contributing \$18,100,000 in third-party funds for the project.

Accepted Program Cost (MIP Amendment #7): \$20,770,000

- Funding Change: \$17,350,000 increase
 - RESTORE Direct Component Funding: \$3,850,000 increase
 - Third-Party Funding: \$13,500,000 increase
- Total RESTORE Direct Component Funding: \$20,020,000
- Total Third-Party Funding: \$18,100,000
- Total Estimated Program Cost: \$38,120,000

How the Activity is Eligible for Funding and Meets All Requirements: This proposed project is located in the Gulf Coast Region as defined by 31 C.F.R. §34.2. This proposed project will support infrastructure benefitting the economy of the Gulf Coast Region by supporting site improvement at the Gulfport-Biloxi International Airport; this proposed project qualifies as an eligible activity for Direct Component funding under 31 C.F.R. §34.201(f) -

NARRATIVE DESCRIPTION:

infrastructure benefitting the economy or ecological resources, and 33 U.S.C. §1321 (t)(1)(B)(i)(VI) of the RESTORE Act. This activity will be implemented by the Gulfport–Biloxi Regional Airport Authority and will comply with the definition of infrastructure in 31 C.F.R. §34.2.

Activity #42: Trent Lott International Airport Apron Expansion (Modified)

This Project was accepted under Mississippi’s MIP Amendment #6 and subsequently modified under MIP Amendments #8. MDEQ has received a grant award from Treasury for this project, and MDEQ has executed a sub-award agreement with the Jackson County Airport Authority for implementation. There is no modification to the Project Description, Need, Purpose, Objective, Location, Milestones or Success Criteria as outlined and accepted in Mississippi’s MIP Amendment #8.

Project Modification: The project budget is being modified to increase the Direct Component funding by \$2,860,000 to support implementation of infrastructure improvements consistent with the Project Description, Need, Purpose, Objective, Location, Milestones, and Success Criteria previously accepted by Treasury. The accepted MIP Amendments can be found at the following links:

- [MIP Amendment 6](#)
- [MIP Amendment 8](#)

Amount and Current Status of Funding From Other Sources: Direct Component funds and third-party funds will be used to support the planning and construction of infrastructure improvements. Direct Component funds will also be used for project oversight and management activities; the development, coordination, and execution of the grant award between MDEQ and Treasury; and the development, coordination, and execution of the sub-award between MDEQ and the subrecipient. Jackson County Airport Authority anticipates contributing \$5,323,000 in third-party funds for the project.

Accepted Program Cost (MIP Amendment #8): \$8,823,000

- Funding Change: \$2,860,000 increase
 - RESTORE Direct Component Funding: \$2,860,000 increase
- Total RESTORE Direct Component Funding: \$6,360,000
- Total Third-Party Funding: \$5,323,000
- Total Estimated Program Cost: \$11,683,000

How the Activity is Eligible for Funding and Meets All Requirements: This proposed project is located in the Gulf Coast Region as defined by 31 C.F.R. §34.2. This project will support infrastructure benefitting the economy of the Gulf Coast Region by constructing aircraft aprons, access roads, utilities and taxiways at the Trent Lott International Airport (TLIA) in Jackson County, MS; this project qualifies as an eligible activity for Direct Component funding under 31 C.F.R. §34.201(f)- infrastructure benefitting the economy or ecological resources, and 33 U.S.C. §1321 (t)(1)(B)(i)(VI) of the RESTORE Act. This activity will be implemented by Jackson County Airport Authority and will comply with the definition of infrastructure in 31 C.F.R. §34.2.

Activity #49: Port Bienville Site 6 Development

This proposed project will support infrastructure benefitting the economy of the Gulf Coast Region through the construction of site improvements at the Port Bienville Industrial Park in Hancock County, MS.

The Port Bienville Industrial Park is a 3,600-acre industrial park in Hancock County, Mississippi. The park is home to 14 leading industries and connects tenant operations to ports along the Gulf Coast Intercoastal Waterway. The

NARRATIVE DESCRIPTION:

project site improvements are anticipated to include a new warehouse facility that will support existing industry tenants and attract new industry tenants. This infrastructure development is essential to support the continued economic vitality of Hancock County and the broader Gulf Coast region through increased storage capacity for current and future industry tenants.

Activities necessary to complete this proposed project may include, but are not limited to, construction site preparation and construction. Other activities may be added/finalized with the grant application, after completion of engineering and design, or prior to requesting Notice to Proceed with construction from Treasury. Direct Component funds may also be used for project oversight and management activities; the development, coordination, and execution of the grant award between MDEQ and Treasury; and the development, coordination, and execution of the sub-award between MDEQ and the subrecipient.

Need: There is a need to support the expansion of current tenants and future tenants at Port Bienville Industrial Park through the strategic development of critical infrastructure.

Purpose: The purpose of this project is to implement infrastructure improvements to increase storage capacity for current and future tenants, contributing to a stronger regional economy and a more vibrant industrial park.

Objective: Construction of site improvements at Port Bienville Industrial Park.

Anticipated Milestones:

Subrecipient Risk Assessment Complete
Subaward Executed
Completion of Procurement Activities
Initiation of Construction
Completion of Construction
Grant Closeout

Location: Port Bienville Industrial Park, Hancock County, Mississippi

Criteria the applicant will use to evaluate the success of each activity: Completion of construction that will benefit the economy of the Gulf Coast Region.

Amount and Current Status of Funding From Other Sources: Direct Component funds and third-party funds will be used for construction site preparation and construction. Direct Component funds will also be used for project oversight and management activities; the development, coordination, and execution of the grant award between MDEQ and Treasury; and the development, coordination, and execution of the sub-award between MDEQ and the subrecipient. The Hancock County Port and Harbor Commission anticipates contributing \$500,000 in third-party funds for the project.

- Total RESTORE Direct Component Funding: \$5,500,000
- Total Third-Party Funding: \$500,000
- Total Estimated Program Cost: \$6,000,000

How the Activity is Eligible for Funding and Meets All Requirements:

This proposed project is located in the Gulf Coast Region as defined by 31 C.F.R. §34.2. This project will support infrastructure benefitting the economy of the Gulf Coast Region by constructing site improvements at the Port

NARRATIVE DESCRIPTION:

Bienville Industrial Park in Hancock County, MS; this project qualifies as an eligible activity for Direct Component funding under 31 C.F.R. §34.201(f)- infrastructure benefitting the economy or ecological resources, and 33 U.S.C. §1321 (t)(1)(B)(i)(VI) of the RESTORE Act. This activity will be implemented by Hancock County Port and Harbor Commission and will comply with the definition of infrastructure in 31 C.F.R. §34.2.

2. Please summarize the process for developing the draft multiyear implementation plan, including how projects were initially evaluated and prioritized, and how the entity made the draft multiyear implementation plan available for a minimum of 45 days for public review and comment, in a manner calculated to obtain broad-based participation from individuals, businesses, Indian tribes, and non-profit organizations, such as through public meetings, presentations in languages other than English, and postings on the Internet.

Attach:

- Documentation (e.g., a copy of public notices) to demonstrate that the entity made its multiyear implementation plan available to the public for at least 45 days;
- A copy of all meaningful public comments received (OGCR defines “meaningful” as all comments pertaining to the selection of each activity (projects and programs) or the approach to or design of any proposed activities (projects and program);
- Any responses provided to meaningful public comments;
- A list of changes made as a result of meaningful public comments. If critical comments were received but no changes were made, the entity should explain why incorporating these comments is infeasible or not in keeping with the public interest; and
- A letter from the applicant's leadership approving submission of the multiyear implementation plan to Treasury or a resolution approving the applicant's multiyear implementation plan.

The projects were prioritized using the following:

1. Mississippi utilized three stakeholder-driven components to identify and prioritize all projects for inclusion in MIP Amendment #9: Stakeholder Meetings; The Governor’s Gulf Coast Advisory Committee (GCAC); and the Restoration Project Idea Portal. Items (a) through (e) below provide further explanation for the GCAC process:
 - a) Governor Tate Reeves created the GCAC to serve as an advisory body to the Governor for recommendation of projects to be funded for Mississippi under the RESTORE Act.
 - b) The GCAC is comprised of over 70 engaged stakeholders, including private citizens, non-governmental organizations, business owners, elected officials, and other community leaders from the Mississippi Coast.
 - c) The GCAC formed six sub-committees that focused on six key areas related to the activities specified in the RESTORE Act (Eco-restoration, Economic Development, Infrastructure, Seafood, Tourism, and Workforce Development/Research & Education).
 - d) On April 7, 2025, MDEQ released a public “call for projects” soliciting project ideas from the public for funding consideration on this amended MIP.
 - e) June 5-6, 2025, Governor Reeves convened the GCAC to begin selection of recommended projects for this amended MIP. Each sub-committee member was sent a list of projects previously selected for funding within their respective category and provided a list of remaining portal projects related to their respective committee category.
 - f) The GCAC sub-committees met, and each produced a list of recommended projects for submittal to the Governor’s office. After deliberation, the Governor selected projects to fund.

Each of the projects identified in MIP Amendment #9 were developed and informed directly from a project (or projects) submitted in the Restoration Project Idea Portal.

NARRATIVE DESCRIPTION:

Additionally, MDEQ completed due diligence activities on each project to evaluate constructability, feasibility, logistics, eligibility determinations, and environmental compliance reviews to confirm recommended projects could be funded by the Direct Component of the RESTORE Act.

2. All projects included in MIP Amendment #9 are eligible for RESTORE Act funding under the Direct Component eligible activities for: infrastructure projects benefitting the economy or ecological resources; improvements to or on state parks located in coastal areas; and planning assistance.

Mississippi Governor Tate Reeves announced the amended MIP on December 11, 2025. On January 20, 2026, MDEQ published its amended MIP for public review and comment. A notice was published in the Sun Herald and Clarion-Ledger newspapers informing the public that the amended MIP was available for public review and comment. An email blast was also sent to those registered to receive notices. This amended MIP was made available for public review and comment for a total of 49 days, from January 20, 2026, until March 9, 2026. The amended MIP and a corresponding map were available to the public, directly downloadable, through www.restore.ms, and were also available upon request via email, fax, telephone, or mail directly from MDEQ. The amended MIP was available in English, Spanish, and Vietnamese upon request. Documentation to demonstrate that this MIP Amendment #9 was made available for public comment for at least 45 days is attached as Exhibit B.

MDEQ accepted public comments and input electronically via www.restore.ms, as well as via email, fax, telephone, or mail directly to MDEQ. On January 20, 2026 and February 9, 2026, MDEQ delivered an email blast to remind those registered to receive notices that the public review and comment period for the amended MIP would close on March 9, 2026. A final email blast was delivered on March 2, 2026, as a reminder that the public review and comment period for the amended MIP would close on March 9, 2026.

During the public review and comment period, no written comments were received. Each activity in the amended MIP was adopted after the public review and comment period.
