

JOB VACANCY

WE'RE HIRING

Title: Environmental Engineer in Training (PIN 4211)
Location: OPC's Waste Division- Solid Waste Permitting Branch
Job Type: Full-Time
Salary Range: \$51,210.24 - \$74,237.76 Annually

Qualifications:

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; OR A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; AND A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

About the Position:

Conduct reviews of solid waste management facility permit applications, permit modification requests, and related projects and develop draft permits and/or recommendations based on the results of those reviews; coordinate permit reviews through the Electronic Data Management System (enSite); coordinate the review of solid waste permit projects with solid waste planning staff, geologic and engineering specialists, solid waste compliance staff, air and water permit writers, and other internal and external agency reviewers; review engineering reports, plans, specifications, and other technical documentation to ensure compliance with applicable solid waste laws, regulations, policies, and guidance; manage public solicitation and public participation processes for assigned solid waste management permit projects; provide general guidance to potential applicants regarding solid waste permitting requirements and procedures and respond to questions and requests for information from the general public and other stakeholders; assist in maintaining and updating application forms, processes, procedures, regulations, and guidance documents as needed to improve the efficiency and effectiveness of the solid waste permitting program; conduct site visits and perform other special duties as assigned by management.

How to Apply:

A resume or application can be sent to Anna Godfrey at P.O. Box 2261 39225, or by email to AGodfrey@mdeq.ms.gov.
