

JOB VACANCY

WE'RE HIRING

Title: Environmental Engineer in Training (PIN 4071)

Location: OPC's Municipal & Commercial Wastewater Division (MCWD)-
East Regional Facilities Branch

Job Type: Full-Time

Salary Range: \$51,210.24 - \$76,464.89 Annually

Qualifications:

A Bachelor's Degree in an engineering curriculum from a school or college approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; OR A Master's Degree in an engineering curriculum from a school or college wherein that same engineering curriculum at the undergraduate level is approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors as of satisfactory standing, preferably with courses in environmental engineering; AND A Bachelor's Degree in engineering, engineering technology, or related science curriculum of four (4) scholastic years from a school or college other than those approved by the Mississippi State Board of Registration for Professional Engineers and Land Surveyors, preferably with courses in environmental engineering.

About the Position:

This position is responsible for compliance, enforcement and permitting activities for assigned facilities within the East Region Facilities Branch of the Municipal and Commercial Wastewater Division. Duties of this position include, but are not limited to, conducting wastewater collection and treatment inspections, handling informal enforcement actions, reviewing submitted documents (such as discharge monitoring reports, consent decree/agreed order deliverables, and NPDES permit documentation), and managing the resolution of citizen complaints.
